### **Adult Flag Football League sign-ups underway**

**Kerrville, Texas (Feb. 5, 2021)** – Flag Football season is back on for this spring! The Parks and Recreation Department is currently accepting registration for our Adult Flag Football League, which will begin March 4. The team entry fee is \$350, and is due by Feb. 26.

A minimum of five teams are needed to begin a league. Games will be 7-on-7 with a maximum of 12 players on a roster. The league is designed for players 18 years and older, but 16 years of age can play with a parent waiver.

Team registration packets including the by-laws and waivers are available for pickup at the Parks and Recreation Department, located at Kerrville-Schreiner Park, 2385 Bandera Hwy., and online at [Adult Flag Football | Kerrville TX - Official Website](#).

A mandatory captain's meeting will be held Friday, Feb. 26 at the Recreation Hall building in Kerrville-Schreiner Park beginning at 5:30 p.m. Teams must have representation at the meeting, with a maximum of two reps per team. Those that are interested in playing, but do not have a team, can contact the Parks and Recreation Department to be considered for pick

up by one of the established teams; however, this is not a guarantee. Masks/face coverings are required at the meeting.

### **Referees Needed**

Are you a sports fan looking to earn a little extra cash? We have opportunities available for referees for the league. Referees are paid \$20 per game with as many as six games per week. No license is required, but is preferred. If interested, contact Recreation Coordinator Justin Rodriguez at (830) 258 - 1151 or [justin.rodriguez@kerrvilletx.gov](mailto:justin.rodriguez@kerrvilletx.gov).

### **COVID-19 Disclaimer**

Due to COVID-19 there will be extra precautionary measures set in place to ensure the safety of our players, teams, and referees. City staff are following the Open Texas guidelines by the Governor's office. All spectators are encouraged to stay in their cars or set up in the parking lot, although it is not required. Individuals should avoid being in a group larger than 10 individuals. Within these groups, individuals should, to the extent possible, minimize in-person contact with others not in the individual's household. Minimizing in-person contact includes maintaining six feet separation from individuals. When maintaining six feet of separation is not feasible, other methods should be utilized to slow the spread of COVID-19, such as wearing a face covering or mask, washing or sanitizing hands frequently, and avoiding sharing utensils or other common objects. Consistent with the actions taken by many individuals across the state, all spectators should consider wearing cloth face coverings (over the nose and mouth). If available, spectators should consider wearing non-medical grade face masks.

The sideline substitutes are encouraged to also maintain social distancing as well until they step on to the field. Hand sanitizer will be available on site as well.
