“Light the Island” project seeking donations and sponsors

Kerrville, Texas (May 14, 2021) – The local non-profit Kerrville Christmas Lighting Corporation (KCLC) has selected the City of Kerrville Parks and Recreation Department’s “Light the Island” project as this year’s main fundraiser.

“Our department implemented ‘Light the Island’ a couple of years ago on Tranquility Island. It consists of red and green LED up lights in the cypress trees along the island to celebrate the Christmas and holiday spirit,” said Ashlea Boyle, director of Parks and Recreation. “It enhances the existing Christmas decorations on the island that were initiated years ago by the Women’s Chamber.”

The initiative was well received and the goal is to further expand the display, consistent with the Kerrville 2050 comprehensive plan. Due to lack of permanent electrical infrastructure on the island, only approximately 25 trees are able to be illuminated currently. In order to expand this project to include more trees and opportunities for decorations, permanent power is needed. Permanent electrical infrastructure is expected to cost around \$200,000.

The funds raised will go directly towards the installation of electrical infrastructure on the island along the Kerrville River Trail. The electrical upgrade will allow the current display to expand along the island from the Tranquility Island bridge to the Francisco Lemos Street bridge, illuminating approximately 100 trees with LED lights. With the community's help, Kerrville can shine bright with beautiful Christmas lights during the holiday season, and other special occasions.

The Economic Improvement Corporation (EIC) committed to jumpstart the project, awarding the KCLC with a \$100,000 quality-of-life matching grant. KCLC is raising the additional \$100,000 still needed to complete the project. Contributions are matched dollar-for-dollar through the grant.

"We are thrilled and grateful that our project was selected by the KCLC, and also for the support of the EIC," Boyle said.

The EIC is the city's 4B sales tax entity that collects a small portion of local sales tax for qualifying projects for economic development, infrastructure, and quality of life projects. Property tax dollars are not utilized for EIC projects.

Every donation grows Christmas in Kerrville – plus, your donation counts double! Become a sponsor or donate any amount of your choosing. Please consider making a tax-deductible donation or sponsorship to light up a tree along the River Trail by June 30, 2021.

Sponsorship levels and benefits are as follows:
