July is National Park and Recreation Month

Kerrville, Texas (July 13, 2021) – July 2021 is National Park and Recreation Month, and this year's theme is **“Our Park and Recreation Story”**. Join the City of Kerrville Parks and Recreation Department as we celebrate and appreciate the parks and activities that Kerrville has to offer and the selfless, passionate and essential work of park and recreation professionals who are providing services that are vital to healthy living in our community.

Since 1985, America has celebrated July as Park and Recreation Month, a program of the National Recreation and Park Association (NRPA). The goal is to raise awareness of the vital impact that parks and recreation have on communities across the country. Parks and recreation services are vital for our communities, protecting open space and natural resources

for all walks of life. Park and Recreation Month encourages everyone to reflect on the exponential value parks and recreation bring to communities.

With nearly 25 city parks, Kerrville Parks and Recreation has a lot of variety to offer the community. While neighborhood parks, such as Carver Park, Elm Creek Park, and Westland Park for example, make up the majority of Kerrville's parks, the department

also has larger community and regional parks such as Singing Wind Park, Louise Hays Park, and Kerrville-Schreiner Park. There are also several special use parks such as the boat ramps at Cypress and Knapp Parks, Scott Schreiner Golf Course, Kerrville Sports Complex, and Kerrville Tennis Complex. A list of all City parks can be found online at www.kerrvilletx.gov under the Parks and Recreation Department section.

"Parks promote a healthy community image and a sense of place, support economic development and quality of life, and boost physical and mental well-being," said Ashlea Boyle, director of Kerrville's Parks and Recreation Department. "Kerrville is blessed with a large parks system for community enjoyment."

"You can fish, swim in the Guadalupe River or at the Olympic Pool, fly a kite, have a picnic, kayak, play tennis or golf, enjoy a sprayground, appreciate the scenic views of the River Trail, hike/bike trails, visit the dog park, and much more. There are plenty of ways that you can celebrate Parks and Recreation month with us. Let's get outdoors, be active, and play," Boyle added.

For more information, contact the Parks and Recreation Department at (830) 257-7300, recreation@kerrvilletx.gov, visit the city's website at www.kerrvilletx.gov, or follow us on Facebook at City of Kerrville TX – City Hall or Instagram at cityofkerrville.
