### **Holiday Lighted Parade winners announced**

**Kerrville, Texas (Nov. 22, 2021)** – The City of Kerrville Parks and Recreation Department is pleased to announce the winners of the 2021 Holiday Lighted Parade have been selected.

The Holiday Lighted Parade and Courthouse Lighting Ceremony took place on Saturday, Nov. 20 in downtown Kerrville. Grand Marshal for the evening Clifton Fifer led the parade as thousands of spectators lined Water Street and Earl Garrett Street to view the 85 spectacular parade entries and kick off the holiday season in the Hill Country.

Parade entries included a variety of businesses, non-profits, marching units, youth groups and festive automobiles. All entrants were judged on creativity, illumination, overall appearance, and holiday spirit.

In the Non-Profit Group category, Hill Country Home School Association was awarded first prize. In the Commercial Group category, HCTC was awarded first prize. In the Marching Group category, the Tivy High School Marching Band was awarded first prize. In the Youth

Group category, West Kerr County Youth Sports was awarded first prize. Each winning group will be awarded a cash prize of \$150.

The Kerrville Parks and Recreation Department would like to congratulate each of the winners and extend our sincere gratitude to the spectators, volunteers, participants and all others who made this parade a success, including the Grand Marshal Fifer, Master of Ceremonies Justin McClure, our generous sponsor Crenwelge Motors, our judges, the Kerrville Christmas Lighting Corporation for assisting with the live stream, and Broadway Bank for sponsoring the Courthouse lighting ceremony.

During this Holiday season, be sure to visit “Light the Island” on Tranquility Island with your friends and family. The City of Kerrville Parks and Recreation Department has decorated the trees of Tranquility Island with Christmas lights in an effort to bring the holiday spirit to Louise Hays Park and the River Trail. This project will be phased over the next several years and the goal is to eventually light the entire island of trees (within reason) from the Tranquility Island bridge to the Lemos Street Bridge.

Parks and Recreation would also like to extend a special thanks to the Kerrville City Council and the City of Kerrville Departments of Public Works, Police and Fire for making the parade possible, and of course to Santa Claus for coming all the way from the North Pole again this year! The City of Kerrville wishes everyone a safe and wonderful holiday season.
