Library staff asks for patience as air conditioning replacement continues

Kerrville, Texas (May 11, 2022) – A complete replacement of the Butt-Holdsworth Memorial Library's air conditioning system is currently underway, but hot weather has temperatures in the building heating up as that work continues. While it is hoped that the new air conditioning system will be operational within the next week, your library staff is still working hard to serve citizens'

needs! In the interim, staff asks that patrons please be kind and patient while we work to improve our facility.

For more information, please call the library reference desk at (830) 258-1274 or visit the city's webpage at www.kerrvilletx.gov.
