RE: Funding Request for FY 2022/2023

Dear Mr. Richards:

The Kerr Economic Development Corporation continues on its mission of fostering the economic growth of the greater Kerrville area through the support of local industry, recruitment of companies, creation and retention of quality jobs, expansion of capital investment and infusion of new tax dollars into our community.

Please consider this letter as our request for annual funding of the KEDC.

Since our last budget request, the KEDC has worked on the following projects and programs for the Kerrville area:

- Hosted Texas Workforce Commissioner Brian Daniel and his announcement of \$188,000 in JET Grand Funds for the Ingram Independent School District. His visit has resulted in the development of several workforce programs for local companies.
- Recognized by the Texas Economic Development Council with the Economic Development and Workforce Excellence Award in the category of 15,000 to 40,000 population. The KEDC was No. 1 in the state in its respective division for its strategy and efforts in economic development during and post-pandemic.
- The continued development of the KerrEDGE Entrepreneur Center, which counts with more than 50 members and has launched a string of small start ups in the area.
- Supported Killdeer Mountain Manufacturing in the workforce and supply chain needs. The company has already hired 50-plus local employees, exceeding its goal of 50 employees by the end of 2022.
- Supported the Kerrville Airport in the recruitment of Rice Aircraft Services as part of our strategy to cultivate an aerospace and aviation cluster in the airport industrial area.
- Launched the inaugural KEDC Business & Innovation Forum 2021 at the Arcadia Theater, which attracted 260 attendees both in person and virtual. The 3-day event provided a series of entrepreneurial and leadership seminars as well as business networking opportunities.
- Convened a series of Quarterly Industry Roundtable discussions with Kerrville's top private employers.
- Coordinated three Industry Signing Showcase events where we recognized 30 Kerrville area graduating seniors who had been hired by local employers, specifically in the trades, medical and tourism sectors.

- Hosted the Stakeholder Retreat with our five stakeholder groups – EIC, City, County, KPUB and KEDC. The KEDC is currently compiling the data and information from the retreat with the consulting firm TIP Strategies for our Three Year Economic Development Strategic Plan.

We continue working, meeting and exceeding the goals and objectives set forth by the original 2-Year Roadmap & Economic Development Ecosystem, approved by all of our respective boards and stakeholders.

We appreciate your continued support in helping with the overall mission of growing and diversifying the economic base of the greater Kerrville area.

Sincerely,

STRATEGIC PLAN SUMMARY OUTLINE & FINDINGS

From the KEDC Stakeholder Retreat
July 15, 2022

EXECUTIVE SUMMARY: The five stakeholders of the KEDC convened on June 6, 2022 for a three-hour retreat to create alignment around recommendations for future economic development activities. This retreat was a follow up to the 2019 retreat which identified three major goal areas:

1. Increase collaboration and cooperation with a regional approach to economic development
2. Develop an economic development strategic plan / road map and ensure the KEDC remains as an independent entity specific for growth and industry
3. Realign assets for growth

KEDC successfully implemented several of the 2019's recommendations. Highlights include establishing an independent EDC and a rapid response to COVID-19's impacts with KerrEDGE and KerrvilleTogether.com.

Events such as the Business and Innovation Forum, Quarterly Industry Roundtables and KEDC's support of the Hill Country Economic Summit have helped local stakeholders better collaborate, resulting in continued local industry growth.

TOP 3 CHALLENGES to Kerrville's Economic Growth

1. Resistance to change, NIMBY attitudes
2. Availability of workforce
3. Homes, availability and affordability

-- *TIP Strategies, Austin, TX*

The region's successes have been featured in more than 100 media features and have received national and international 3rd party recognition for workforce, marketing and business retention & expansion efforts.

During the June 2022 retreat, participants reflected on recent trends, ongoing initiatives in Kerrville and Kerr County, and a competitive advantage to identify a recommended path forward for KEDC.

RECOMMENDATIONS FOR THE KEDC: Based on an analysis of trends, current community goals, and feedback from retreat participants, KEDC should prioritize the following over the next 3 years:

- i. Continue collaborating with other organizations at the local, county and state level to identify solutions to challenges and capitalize on opportunities.
- ii. While maintaining a focus on economic development, expand KEDC's role to act as a convener by bringing key organizations and leaders together to discuss issues affecting economic growth.
- iii. Build the local talent pipeline so that residents have pathways to available job opportunities and employers have a strong pool of talent.

STAKEHOLDER RETREAT OUTCOMES: The following are trends which will have the greatest influence on Kerrville's economy in this decade, as per the stakeholder retreat, one-on-one interviews and national economic development data and variables:

- Housing (affordability and availability)
- Workforce availability
- Remote work
- Aerospace and aviation
- Short term rentals
- Recreation and tourism
- Metro growth from Central Texas
- Perception of growth
