### **Thank you to all who made Kerrville River Festival possible**

**Kerrville, Texas (Sept. 19. 2022)** – The City of Kerrville Parks and Recreation Department would like to thank everyone who helped make the third annual Kerrville River Festival possible. We are happy and proud to bring high-quality entertainment to our community for our residents and visitors for free! This would not be possible without our sponsors, volunteers, staff, and participants.

The city would like to give a special thanks to our sponsors: Ken Stoepel Ford, H-E-B, Schreiner University, State Aire, Gravity Check Saloon and Arena, Live Oak Texas Vodka, Garcia Bounce House, Ranch Radio Group, Atmos Energy, KEG1 O’Neal, Kerrville Public Utility Board, Alamo Regional Transit, the Cailloux Foundation, Inn of the Hills, YO Ranch Hotel, TSE Entertainment, and Arcadia Live! Their contribution provided us the opportunity to celebrate Kerrville’s heritage with a bigger and better event.

We would also like to thank all our performers: Kyle Park, Michael Salgado, Walt Wilkins, Shake Russell, Cirque Akrobat, Anthony Garcia of Texas Heritage Music Foundation, the Performing Arts

School of Classical Ballet, the Tivy Marching Band, and Kiah Middleton of Big Seed! All performers brought such unique talent and entertainment to our community.

Finally, thank you to the community, visitors, and vendors for joining us in celebration of the beautiful city we all love. It was great to see everyone enjoying the festivities.

If you attended the Kerrville River Festival, please take a moment to complete the online survey located here: <https://www.surveymonkey.com/r/KRIVERFEST22>. Your input is greatly appreciated and will allow us to better serve our community.

Mark your calendars for 2023! We are excited to announce that the fourth annual Kerrville River Festival will take place on Oct. 14, coinciding with the 2023 Annular Solar Eclipse. This unique event will trace a narrow path of annularity across eight U.S. states. With Kerrville falling in the path of annularity, this eclipse will provide a great addition to our annual celebration. The 2023 Kerrville River Festival is looking to be a fantastic and unique event.
