### **City moving forward on the new Public Safety Facility**

**Kerrville, Texas (Oct. 17, 2022)** – The land has been purchased, rezoning is complete, and the building design process will soon begin on the new Public Safety Facility to be located at the intersection of Clearwater Paseo Drive and Rio Monte Drive. The \$45-million, 69,000-square-foot project, approved by voters in a May, 2022 bond election, will be centrally located with easy access to major transportation thoroughfares, Kerrville ISD campuses, and the Kerr County Jail. The city has initiated a competitive proposal process to bring a qualified design/construction team on contract by the first quarter of 2023.

Pictured at the site of the new Public Safety Facility complex are, from left, Assistant City Manager Michael Hornes, Director of Information Technology Charvy Tork, Fire Chief Eric Maloney, City Councilmember Kim Clarkson, Mayor Judy Eychner, City Councilmembers Brenda Hughes and Roman Garcia, Municipal Court Administrator Yesenia Luna, Police Chief Chris McCall, Assistant City Manager Kim Meismer, and City Manager E.A. Hoppe.

When completed, the building is anticipated to house the City of Kerrville's Police Department, administrative offices of the Fire Department, the Emergency Operations Center, Municipal Court, and applicable information and technology systems.
