Kerrville 2050 Item?	Yes
Key Priority Area	P - Parks / Open Space / River Corridor
Guiding Principle	N/A
Action Item	P4.8 - Evaluate the desirability of a Night Sky ordinance

SUMMARY STATEMENT:

In the Kerrville 2050 Plan, the protection of the night skies was a frequent topic of discussion. Action item P4.8 is to evaluate the desirability of a Night Sky Ordinance. In 2019, the Code Review Committee (CRC) began to discuss the need for a dark sky, or night sky, ordinance. However, at that time they moved their focus to the update to the subdivision code and tabled the dark sky ordinance. In 2022, the CRC has worked through a draft ordinance to recommend to City Council. City Council has presented multiple proclamations celebrating October and Night Sky Month.

Pursuant to Local Government Code 3000.002(c)(3)(B), this resolution of support, is the first steps in applying for International Dark Sky Association's designation as a Dark Sky Community. Adoption of this resolution will allow Council to also adopt an ordinance to regulate outdoor lighting to protect our night sky.

RECOMMENDED ACTION:

Approve Resolution No. 81-2022.

WHEREAS, the City's Comprehensive Plan (*Kerrville 2050*) recognizes the significance of night skies with respect to the City's parks and open spaces and downtown area; and

WHEREAS, the City remains a significant destination for tourism, which is important to many community members, and preserving the starry night skies in and around the community will enhance the City's attraction and appeal as a destination for tourism; and

WHEREAS, City Council is committed to supporting practices that limit or minimize light trespass from night lighting fixtures in order to protect the beauty of the night skies and allow for the full benefit and use of our residents' property; and

WHEREAS, by the adoption of this Resolution, City Council is expressing its intent to become certified as a Dark Sky Community;

**NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF

Kerrville City Council
701 Main Street
Kerrville, TX 78028

Dear Mayor Eychner and Members of the Kerrville City Council:

I am writing to express the strong support of the Hill Country Alliance (HCA) for adopting an outdoor lighting ordinance to mitigate light pollution in and around the City of Kerrville. HCA stands ready to assist in any helpful way as the city considers adopting this ordinance and, upon adoption, continuing to inform the community about the significance of the ordinance and of night sky preservation generally for residents and visitors alike.

The Hill Country Alliance has been working for 18 years to grow an ever-expanding network of groups, individuals, communities, and businesses interested in preserving the water supply, open spaces, night skies, and community resources of the Texas Hill Country. We have always appreciated Kerrville's thoughtful consideration of how this region can accommodate growth while protecting the natural and cultural resources that define this unique part of Texas.

Night-sky friendly lighting policies, including a reduction in correlated color temperature, proper fixture shielding, and direction of illumination only where needed, protect our views of the night sky, saves energy, and reduce glare. Recent studies show significant benefits to the health of humans, animals, plants, and insects when light pollution is diminished or eliminated altogether. These changes will help keep Kerrville a place folks want to live and visit, even as the community grows.

Finally, we want to thank the Kerrville City Council, City of Kerrville staff, and the dedicated volunteers of Kerr County Friends of the Night Sky for their leadership in pursuing this outdoor lighting ordinance. It has been an honor to support your vision and efforts.

Please let us know how we can be of any further assistance in the future. On behalf of our executive director, Katherine Romans, and the entire Hill Country Alliance board and staff, we are grateful for and commend Kerrville for its dedication to night sky preservation, as demonstrated through the pursuit of this Outdoor Lighting Ordinance.

Sincerely,

Dawn Davies
Night Sky Program Manager, Hill Country Alliance

Effective as of August 13, 2020 (supersedes all prior versions)

Definitions: The following capitalized words shall mean: "End Users/Buyer" means the organization or person who buys Seller's Goods and Services. "Goods and Services" means the articles, products, accessories and services to be supplied to Buyer by Seller. "Technology and Intellectual Property Rights" means all patents, registered and unregistered designs, copyright, trademarks, know-how, software, firmware, hardware, systems, components, or assemblies. "Seller" means VirTra, Inc., located at 295 E. Corporate Place, Chandler, AZ 85225, USA.

These Sales Terms and Conditions for Direct Sales to End Users/Buyers ("T&C") apply to Buyer's purchase of all Goods and Services purchased directly from Seller. Goods and Services sold by Seller are expressly subject to and conditioned upon the T&C set forth herein. By accepting delivery of the Goods and Services, Buyer accepts and is

bound to these T&C. Any different or additional terms set forth by, whether in Buyer's purchase order or another communication, are expressly rejected and will not be binding on Seller unless agreed to in writing by an authorized officer of Seller.

All Sales Final. All sales are final and no returns, refunds or exchanges of the Goods and Services are allowed, except as provided by state or federal law, and, to the returns, refunds or exchanges are required by law, must be preapproved by Seller using their Return Merchandise Authorization (RMA) form.

Restocking Fees. In Seller's sole discretion, all returns, refunds or exchanges may be charged a restocking fee of up to 15% of the purchase price paid, plus any applicable shipping and sales tax, unless the returned product is defective, or the return is a direct result of Seller's error.

Payment Terms. Terms of payment are within Seller's sole discretion and, unless otherwise agreed to by Seller in writing, 50% deposit payment must be received prior to Seller's acceptance of an order with the 50% balance due upon shipping. Payment for Goods and Services will be made in United States currency (\$US Dollar) by a preapproved payment method. Credit payment terms must be preapproved by Seller's Finance Department and if approved, invoices are due and payable within the time period noted on invoices, measured from the date of the invoice. Seller may at its sole discretion invoice parts of an order separately. Seller may suspend or cancel Buyer's order for any failure to comply with agreed upon payment terms. Seller is not responsible for pricing, typographical, or other errors in any offer by Seller and reserves the right to cancel any orders resulting from such errors.

Late Payments. Interest and late payment fees may be calculated from the day after the payment's stated due date through the date payment is received in full, at the maximum legal allowable interest rate in effect on the applicable dates.

Taxes. Sales tax, end user tax, pass-through tax, value-added tax (VAT), transaction privilege tax, consumption tax, customs tax and/or duties are the sole responsibility of Buyer, and Buyer agrees to reimburse Seller for all applicable taxes that Seller is required to collect, regardless of the tax amount being excluded from Seller's quotes or Buyer's Purchase Orders.

Tax Exemption. If Buyer requests tax exempt status then Buyer must provide Seller with a correct, valid and signed tax exemption certificate applicable to the specific Goods and Services purchased, relevant to the end use location, prior to Seller invoicing. If an invalid tax exemption certificate is received or no tax exemption certificate is received, it will be the responsibility of Buyer to pay all required taxes. Additionally, it will be Buyer's responsibility to obtain any tax refunds permitted if Seller has collected and remitted taxes to a taxing authority.

Shipping; Title; Risk of Loss. Shipping and handling cost will be added to all invoices unless otherwise expressly indicated and agreed to in writing at the time of sale. Seller reserves the right to make partial shipments unless specifically stated otherwise on Buyer's signed Pro Forma Invoice or purchase order and such shipping terms are pre-approved by Seller in writing. Products may ship from multiple locations following the rules of the International Commercial Terms (Incoterms) as published by the International Chamber of Commerce (ICC). Title and risk of loss passes from Seller to Buyer FOB Origin domestic or Free Carrier (FCA) international upon Seller's delivery to the named place of delivery, cleared for export, as mutually agreed by both buyer and seller. Once seller is deemed to have delivered goods to the named place of delivery, the buyer is responsible for both unloading the goods and loading them onto their own carrier. Any loss or damage that occurs after seller's delivery is Buyer's responsibility. Buyer must promptly file claims for damaged items with the freight carrier. Shipping dates are estimates only.

Excusable Delays. Seller will use commercially reasonable efforts to deliver all products ordered as agreed or as soon as reasonably practicable. In the event of interruption of any delivery due to causes beyond the reasonable control of Seller, including but not limited to force majeure, fire, labor disturbances, riots, accidents, or inability to obtain necessary materials or components, Seller has the right, in its sole discretion and upon oral or written notice to Buyer, to delay or terminate the delivery.

Not For Resale or Export. Buyer represents and warrants that they are buying Seller's products for the specified end user, and Buyer will not resale or export Seller's products to a country other than the country listed as the Buyer's shipping destination. The shipment of certain Seller products outside of the United States of America (USA) is restricted by US federal law and neither Seller's products nor the technology can be exported out of the US without Seller's prior written approval. In addition, certain Seller Products require a validated export/import license (DSP 5, 61, or 73) prior to shipment to certain countries. If required, Buyer agrees to submit the required paperwork to Seller to process an application to obtain the required import/export license(s) from the US State Department. Seller cannot guarantee US State Department approval and has the right to cancel any item(s) not approved for import/export by the US State Department.

Regulations and Restrictions. Buyer agree to comply with all applicable laws, codes and license requirements, and controls of the United States and other applicable jurisdictions in connection with the use of Seller products including Buyer's acceptance of responsibility for the payment of any relevant taxes or duties. Buyer is responsible for understanding and verifying all local laws, regulations, restrictions and building code requirements for the purchase, delivery, receipt, storage, installation and use of Seller's Goods and Services. Seller may suspend or cancel Buyer's order, at Seller's sole discretion, for violation of regulations and restrictions.

Technology and Intellectual Property Rights. Buyer agrees that Seller claims, and has claim to, various proprietary rights of its Goods and Services, and Buyer agrees to take reasonably necessary steps to ensure that Seller's rights will not directly or indirectly be violated, which would cause irreparable harm to Seller. Except for the license to use the Goods and Services, the sale of Goods and Services will not confer upon Buyer any license, express or implied, under any patents, trademarks, trade names, or other proprietary rights owned or controlled by Seller, its subsidiaries, affiliates, or suppliers; it being specifically understood and agreed that all the rights are reserved to Seller, its subsidiaries, affiliates, or suppliers. Buyer may not obscure, remove, or alter any copyright, trademark, service mark or other proprietary notices or legends on the products..

Design Changes. Seller reserves the right to make changes in design of any of its products without incurring any obligation to notify Buyer or to make the same change to products previously purchased by Buyer.

Reverse Engineering. Customer acknowledges and agrees that the products are the confidential, valuable, and proprietary assets of VirTra and that improper use or disclosure of the products would cause VirTra irreparable harm. Accordingly, as a material element of this Agreement and as an inducement for VirTra to enter into this Agreement, Customer hereby agrees that

Customer shall not: (a) create or attempt to create by reverse engineering, disassembly, decompilation, reverse engineering or otherwise, the internal structure, the source code, hardware design, or organization of any Product, or any part thereof, or to aid or to permit others to do so, except and only to the extent expressly permitted by applicable law; (b) copy, modify, or translate any portion of the products, unless otherwise agreed, develop any derivative works thereof or include any portion of the software in any other software program; (c) separate the Product into component parts for distribution or transfer to a third party; and (e) attempt to make or to aid or permit others to make similar products to the software or products with or without enhancements, upgrades, or modifications.

Severable Provisions. If any provision of these T&C is found to be invalid or unenforceable by a court of competent jurisdiction, then the remainder will remain in full force and effect and any invalid provision(s) will be modified or partially enforced by the court to the maximum extent permitted by law to effectuate the purpose of this agreement.

Limitation of Liability. Seller shall not be liable for any or all loss or damage suffered by Buyer in excess of the contract price. Nothing contained in these T&C shall be construed so as to limit or exclude the liability as a result of Seller's gross negligence or that gross negligence of its employees or agents.

Relationship of Parties. Nothing contained in these T&C shall be construed as establishing or implying any partnership or joint venture between the parties and nothing in these T&C shall be deemed to construe either of the parties as the agent of the other.

Assignment and Sub-Contracting. The contract between Buyer and Seller for the Goods and Services shall not be assigned or transferred, nor the performance of any obligation sub-contracted, without the prior written consent of both Buyer and Seller.

Entire Agreement. These T&C, along with the any product warranty, license and service agreement(s) provided, constitute the entire agreement between the parties. These Sales T&C supersede and replace any prior agreement or understanding between the parties, including any oral representations concerning the subject matter of this agreement. Any prior or extrinsic representations or agreements, with the exception of the product warranty, if provided and any service and license agreement(s), are intended to be discharged or nullified.

Governing Law; Jurisdiction and Venue. The laws of the State of Texas, govern this transaction and agreement, without regard to conflicts of law. Any litigation regarding the interpretation or enforcement of these T&C shall be resolved in the State of Texas and the courts of Kerr County Texas shall have exclusive jurisdiction over such litigation and the parties agree to such exclusive jurisdiction. The parties expressly reject any application of the United Nations Convention on Contracts for the International Sale of Goods ("CISG") to these T&C and the associated transactions.

Exclusions and Limitations; Release. To the extent permitted by law, Seller's warranty and the remedies set forth in that warranty are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law, Seller specifically disclaims any and all statutory or implied warranties, including without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If Seller cannot lawfully disclaim statutory or implied warranties than to the extent permitted by law, all such warranties are limited to the duration of the express warranty described above and limited to the other provisions contained in the warranty document. The remedies provided for in the warranty are expressly in lieu of any other liability Seller may have. Seller's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Seller product will not exceed the purchase price paid to Seller by Buyer for the product, notwithstanding third-party purchases. In no event will Seller be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if Seller has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in the warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to Buyer. Seller disclaims any representation that it will be able to repair any product under warranty or make a product exchange without risk to or loss of programs or data. Buyer agrees to release and save Seller harmless from any and all liability arising out of use or misuse of Seller product, including any claims for damages and personal injuries. Buyer agrees to assume all risks of loss and all liability for any damages and personal injury which may result from use or misuse of Seller product. Seller is not liable for any claims made by a third party or by Buyer for or on behalf of a third party.

Debarment and Suspension. Supplier affirms that neither it nor its principals are suspended or debarred or otherwise excluded from procurement by the Federal Government and do not appear in the System for Award Management (SAM) Exclusions, which is a list maintained by the General Services Administration.

Termination for Convenience. Either party may at any time and for any reason terminate this contract at the party's convenience upon providing written notice to the other party specifying the extent of termination and the effective date. Upon receipt of such notice, Seller shall, unless the notice directs otherwise, immediately discontinue service in connection with the performance of this Agreement, and City shall cease any payments for any goods and services not yet provided. Seller shall be entitled to compensation for any work in progress at the time of notice.

Termination Penalties. In such case as either party is required to terminate the contract for cause, either party shall have any and all remedies available to it under law or equity.

Non-Appropriation. The awarding or continuation of this contract is dependent upon the availability of funding. The City's payment obligations are payable only and solely from funds Appropriated and available for this contract. The absence of Appropriated or other lawfully available funds shall render the Contract null and void to the extent funds are not Appropriated but the City will pay Seller for all services rendered prior to Contract termination. The City shall provide the Seller written notice of the failure of the City to make an adequate Appropriation for any fiscal year to pay the amounts due under the Contract, or the reduction of any Appropriation to an amount insufficient to permit the City to pay its obligations under the Contract. In the event of non or inadequate appropriation of funds, there will be no penalty nor removal fees charged to the City.

Kerrville 2050 Item?	Yes
Key Priority Area	F - Public Facilities and Services
Guiding Principle	N/A
Action Item	N/A

SUMMARY STATEMENT:

Cyberattacks are among the top risks facing local governments. Not only are cyberattacks expensive, but they are also disruptive to services and critical functions. So long as municipalities are going to remain connected online to constituents and themselves, cybersecurity will always be a concern. The rapid expansion of digital technologies such as mobile apps, sensors, and the Internet of Things (IoT) helps provide increased transparency and streamlined operations. However, the proliferation of such technology can also increase the City's vulnerabilities to cyberattacks.

The City of Kerrville is committed to strengthening cybersecurity practices including conformance to the National Institute of Standards and Technology (NIST), network monitoring, managed risk, detection, and response. Cyberattacks happen 24 hours a day, seven days a week, and require constant monitoring to detect, respond, and recover (also known as Managed Detection and Response (MDR)). Monitoring is done by both people and artificial intelligence computers for speed and accuracy.

Hiring additional full-time staff would require having multiple staff members on a rotating schedule within a 24 hour period, every day monitoring logs and actions, learning about and mitigating the latest attack vectors. Not to mention providing the staff members with the

security tools needed for the job. Rather than hiring multiple full-time security experts on staff, the City is proposing to enter into an agreement with Recon Infosec to provide Managed Detection and Response services. These services will augment the IT Department's ability to better manage cyber risk by improving the process of detecting, analyzing, and responding to threats. Recon Infosec will provide 24/7/365 monitoring of our environment, real-time visibility in operations, better insight into threat intelligence, and improvements to the City's overall security posture without significantly increasing operating expenses.

Services include:

- Developing proactive security initiatives
- Strategic guidance on information security frameworks and priorities
- Collecting, aggregating, and analyzing data from the City of Kerrville's existing traditional and cloud environments
- Detecting threats, triaging alerts and responding to incidents
- Maintaining and expanding a custom threat signature library to keep pace with the latest emerging threats

The City of Kerrville's IT team will continue to:

- Make important decisions about the City's security
- Manage controls, network, and devices
- Implement strategic initiatives

The agreement is for one year for a total of \$60,486.00. Purchasing compliance has been followed by utilizing TIPS Contract 210101 (Technology Solutions, Products, and Services). TIPS is an acronym for The Interlocal Purchasing System. It is a national purchasing cooperative that offers access to competitively procured purchasing contracts to its membership.

Approval of this agreement will provide the City of Kerrville with a managed Security Operations Center (SOC) staffed with IT experts solely focused on the organization's security.

RECOMMENDED ACTION:

Authorize the City Manager to enter into a contract with Recon Infosec for Managed Detection and Response (MDR) services in the amount of \$60,486 per year.

("**Recon**") and the local government agency identified on an order form ("**Customer**") and governs any executed order forms, quotes, or other ordering document ("**Order Form**") that reference this Agreement. This Agreement is effective on the date Customer executes the Order Form or submits a matching purchase order to Recon (the "**Effective Date**"). This Agreement permits Customer to purchase subscriptions to the Solutions (defined below) identified in the Order Form and sets forth the terms and conditions under which those Solutions will be delivered. The Agreement consists of the terms and conditions set forth below, any attachments or exhibits identified herein and any Order Forms that reference this Agreement. Subject to and conditioned upon Customer's compliance with the terms of this Agreement, Recon grants to Customer a limited, non-transferable, non-sublicensable, non-exclusive license during the Subscription Term to install the object code form of the Software, but only in connection with Customer's use of the Solutions and otherwise in accordance with the Documentation and this Agreement. Customer acknowledges that any changes made by the Customer to the Customer's infrastructure or configuration of the Solutions after initial deployment which was not requested or directed by Recon may cause the Solutions to cease working or function improperly and that Recon will have no responsibility for the impact of any such Customer changes.

5. Reservation of Rights and Ownership. Recon owns or has the right to license the Solutions and any associated Documentation ("**Recon Technology**"). Customer acknowledges and agrees that: (a) the Recon Technology is protected by United States and international copyright, trademark, patent, trade secret and other intellectual property or proprietary rights laws; (b) Recon retains all right, title and interest (including, without limitation, all patent, copyright, trade secret and other intellectual property rights) in and to the Recon Technology, excluding any rights, title, and interest in any Third Party Products (as defined in Section 12.3 below) which shall be retained by its third party licensor(s), any other deliverables, any and all related and underlying technology and any derivative works or modifications of any of the foregoing, including, without limitation, any Feedback (as defined below); (c) there are no implied licenses and any rights not expressly granted to Customer hereunder are reserved by Recon; (d) the Solution, excluding Professional Services, is licensed on a subscription basis, not sold, and Customer acquires no ownership or other interest (other than the license rights expressly

Feedback includes suggestions, comments or other feedback ("**Feedback**") provided to Recon by Customer with respect to the Solutions.

6. Restrictions, Responsibilities, and Prohibited Use.

6.1. Restrictions. Customer agrees not to, directly or indirectly: (i) modify, translate, copy or create derivative works based on the Recon Technology; (ii) reverse engineer, decompile, disassemble, or otherwise seek to obtain the source code or non-public APIs to the Solutions, except to the extent expressly permitted by applicable law (and then only upon advance notice to Recon); (iii) interfere with or disrupt the integrity or performance of the Solutions or the data contained therein or block or disrupt any use or enjoyment of the Solutions by any third party; (iv) attempt to gain unauthorized access to the Solution or their related systems or networks; or (v) remove or obscure any proprietary or other notice contained in the Recon Technology. If Recon, in its reasonable discretion, determines that Customer's use of or access to the Solutions imposes an actual or imminent threat to the security or stability of Recon's infrastructure or that Customer is abusing its use of the Solutions in contravention with the terms of this Agreement, Recon may, in addition to any other right herein, temporarily suspend Customer's access to the Solutions until such activity is rectified. If commercially practicable, Recon shall provide Customer with notice prior to any such suspension and shall work with Customer in good faith to reinstate the Solutions promptly.

6.2. Recon Responsibilities. Recon shall provide the Solutions in accordance with the terms of this Agreement. The Solutions provided under this Agreement shall include any updates, upgrades, bug fixes, version upgrades or any similar changes that are made generally available to Recon's customers free of charge from time to time during the Subscription Term.

6.3. Customer Responsibilities. Customer must identify the administrative users for its account ("**Administrators**"). Each Administrator will receive an administrator ID and password and will need to register with Recon. Customer is responsible for notifying Recon about changes to Administrators, including but not limited to termination, change of authority, and the addition of Administrators. "**Prohibited Persons**" shall mean a person or entity appearing on the lists published by the U.S. Department of Commerce, the U.S. Department of State, the U.S. Department of Treasury or any other list that may be published by the U.S. Government, as amended from time to time, that is prohibited from acquiring ownership or control of items under this Agreement, or with which Recon is prohibited from doing business.

6.5. Export/Import Compliance. Customer agrees to comply with all export and import laws and regulations of the United States and other applicable jurisdictions. Without limiting the foregoing: (i) Customer represents and warrants that it is not listed on any U.S. government list of prohibited or restricted parties or located in (or a national of) a country that is subject to a U.S. government embargo or that has been designated by the U.S. government as a "terrorist supporting" country, (ii) Customer will not (and will not permit any of its users to) access or use the Solutions in violation of any U.S. export embargo, prohibition or restriction, and (iii) Customer will not submit to Recon, directly or through the Solutions, any information that is controlled under the U.S. International Traffic in Arms Regulations.

7. Fees, Payment, Taxes, and Audit. Pricing for the Solutions will be specified on an Order Form. All fees are payable in U.S. Dollars and are non-cancelable and non-refundable. Delinquent amounts shall bear interest as provided for in the Texas Prompt Payment Act (Tex. Gov't Code Ch. 2251). If Customer fails to make any payments due under this Agreement or an applicable Order Form, Recon shall notify Customer of such nonpayment. If a payment that is due remains unpaid for ten (10) days after Recon provides Customer with notice of such nonpayment, Recon may cease providing the Solutions without any liability to Recon. The amounts payable to Recon are exclusive of any sales, use, excise, value added, import, or other applicable taxes, tariffs or duties ("Taxes"). Customer is solely responsible for payment of all Taxes except for any taxes based solely on Recon's net income. If Customer is required to pay any Taxes, Customer shall pay such Taxes with no reduction or offset in the amounts payable to Recon hereunder and Customer will pay and bear such additional amount as shall be necessary such that Recon receives the full amount of the payment required as if no such reduction or offset were required. If Recon has the legal obligation to pay or collect Taxes for which Customer is responsible, Customer authorizes Recon to charge Customer for such amount. If Customer believes that Recon has billed Customer incorrectly, Customer must contact Recon no later than thirty (30) days after the closing date on the first billing statement in which the error or problem appeared in order to receive an adjustment or credit. Inquiries should be directed to Recon's accounting department.

8. Compliance with Laws. Each party represents and warrants that, during the term of this Agreement, it will comply with all foreign, federal, state and local statutes, laws, orders, rules, regulations and requirements, including those of any governmental (including any regulatory or quasi-regulatory) agency applicable to such party as it pertains to its obligations herein.

9. Confidentiality. Either party (as a "Discloser") may disclose confidential and proprietary information, orally or in writing ("Confidential Information") to the other party (as a "Recipient"). All such information shall be marked with a restrictive legend of the Discloser or, if orally or visually disclosed to Recipient by Discloser, or disclosed in writing without an appropriate letter, proprietary stamp or legend, information that would be apparent to a reasonable person that such information is of a confidential or proprietary nature shall constitute Confidential Information. Notwithstanding the foregoing, contract terms relating to Solutions Data shall be set forth in Section 10. Each party agrees to hold the other party's Confidential Information in strict confidence, not to disclose such Confidential Information to third parties not authorized by the Discloser to receive such Confidential Information, and not to use such Confidential Information for any purpose except as expressly permitted hereunder. Each party agrees to take commercially reasonable steps to protect the other party's Confidential Information and to ensure that such Confidential Information is not disclosed, distributed or used in violation of the provisions of this Agreement. The Recipient may disclose Confidential Information only: (a) with the Discloser's prior written consent; or (b) to those employees, officers, directors, agents, consultants, and advisors with a clear and well-defined "need to know" purpose who are informed of and bound by the obligations of this Agreement. Notwithstanding the foregoing, the Recipient may disclose Confidential Information to the extent required by law; however, the Recipient will give, to the extent legally permissible and reasonably practical, the Discloser prompt notice to allow the Discloser a reasonable opportunity to obtain a protective order and such Confidential Information disclosed to the extent required by law shall otherwise remain confidential and subject to the protections and obligations of this Agreement. To the extent legally required, Recon may report any violations of law pertaining to any Customer Confidential Information and/or Customer's use of the Solutions. The Discloser agrees that the foregoing obligations shall not apply with respect to any information that the Recipient can document is: (i) rightfully in its possession or known to it prior to receipt from the Discloser without an obligation of confidentiality; (ii) or has become public knowledge through no fault of the Recipient; (iii) rightfully obtained by the Recipient from a third party without breach of any confidentiality obligation; or (iv) independently developed by employees of the Recipient who had no access to Discloser's Confidential Information. Upon expiration or termination of this Agreement for any reason, and except as otherwise provided in Section 16 below, each party shall promptly destroy all copies of the other party's Confidential Information and copies, notes or other derivative material relating to the Confidential Information. Recon expressly acknowledges that Customer is a public entity subject to Chapter 552 of the Texas Government Code and records retention obligations identified in the Texas Administrative Code.

10. Solutions Data.

10.1. Solutions Data. "Solutions Data" means, depending on the Solution deployed, the operational system log data and any other information which Customer may elect to submit to Recon through the Solutions, including, but not limited to operational values, event logs, and network data such as flow, HTTPS, TLS, DNS metadata, cursory inventory data, operating systems and versions, users and groups from Active Directory, system level inventory, event data, and network vulnerability data. As between the parties, Customer shall retain all right, title and interest (including any and all intellectual property rights) in and to the Solutions Data (excluding any Recon Technology used with the Solutions Data). Customer hereby grants Recon, during the term of the Agreement,

a non-exclusive, worldwide, royalty-free right to collect, use, copy, store, transmit, modify and create derivative works of the Solutions Data solely to the extent necessary to provide the Solutions to Customer. If Recon is compelled by law to disclose Solutions Data or its summary reports related thereto, it shall provide prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Customer's cost, if Customer wishes to contest the disclosure. Customer hereby authorizes Recon to aggregate Solutions Data with other data so that results are non-personally identifiable with respect to Customer and collect anonymous technical logs and data regarding Customer's use of the Solutions ("**Aggregate/Anonymous Data**"). Notwithstanding anything to the contrary herein, such Aggregate/Anonymous Data will be deemed Recon Technology, which Recon may use for any business purpose during or after the term of this Agreement, including without limitation to develop and improve the Solutions and to create and distribute reports and other materials. Customer understands, and hereby consents, that Solutions Data may be accessed by Recon.

10.2. Personal Information. Confidential Information and Solution Data may include information that identifies, relates to, describes, is reasonably capable of being associated with or linked to a particular individual, whether directly or indirectly ("**Personal Information**"). Customer is responsible for the lawfulness of any such Personal Information and the receipt, use, and processing of it under the Agreement. Customer represents and warrants that, where it provides Personal Information to Recon or requests Recon collect or process such information, it (1) has complied with any applicable laws relating to the collection or provision of such information, (2) possesses any consents, authorizations, rights and authority required to transfer or permit Recon to collect, receive, or access any Personal Information for the Solutions, and (3) to the extent required by applicable law, informed the individuals of the possibility of Recon processing their Personal Information on Customer's behalf and in accordance with its instructions.

10.3. California Consumer Privacy Act. The parties acknowledge and agree that Recon is a service provider for the purposes of the California Consumer Privacy Act ("**CCPA**") and may receive personal information (as defined by the CCPA) from Customer pursuant to this Agreement for a business purpose. Recon shall not sell any such personal information. Recon shall not retain, use or disclose any personal information provided by Customer pursuant to this Agreement except as necessary for the specific purpose of performing the Solutions for Customer pursuant to this Agreement or as permitted by the CCPA. The terms "personal information," "service provider," "sale," and "sell" are as defined in Section 1798.140 of the CCPA. Recon certifies that it understands the restrictions of this Section. It is Customer's sole responsibility to notify Recon of any requests from consumers (as defined in the CCPA) seeking to exercise rights afforded in the CCPA with regard to personal information received or processed in connection with the Solutions. Recon agrees to provide reasonable cooperation to Customer in connection with such requests.

11. Indemnity.

11.1. Recon's Indemnity. RECON AGREES TO DEFEND, INDEMNIFY AND HOLD CUSTOMER, ITS OFFICERS, AGENTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS AND EXPENSES FOR

PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY RECON'S BREACH OF ANY OF THESE TERMS AND CONDITIONS OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER COMMITTED BY RECON, ITS OFFICERS, AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THIS AGREEMENT; EXCEPT THAT THE INDEMNITY PROVIDED FOR IN THE PARAGRAPH SHALL NOT APPLY TO ANY LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR FAULT OF CUSTOMER, ITS OFFICERS, AGENTS, EMPLOYEES OR SEPARATE CONTRACTORS, AND IN THE EVENT OF JOINT AND CONCURRING NEGLIGENCE OR FAULT OF RECON AND CUSTOMER, RESPONSIBILITY AND INDEMNITY, IF ANY, SHALL BE APPORTIONED IN ACCORDANCE WITH THE LAW OF THE STATE OF TEXAS, WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO CUSTOMER UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW AND CUSTOMER'S REASONABLE ATTORNEY'S FEES SHALL BE REIMBURSED IN PROPORTION TO RECON'S LIABILITY. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

11.2. Procedures. Recon's indemnification obligations are conditioned on the Customer: (a) providing Recon with prompt written notice of any claim, provided that the failure to provide such notice shall not limit the indemnifying party's obligation to indemnify; and (b) providing reasonable information and assistance to Recon in the defense or settlement of the claim at the Recon's expense. Notwithstanding the foregoing, Recon (i) may not make an admission of fault on behalf of the Customer without written consent, (ii) any settlement requiring Customer to admit liability requires prior written consent, not to be unreasonably withheld or delayed, and (iii) Customer may join in the defense with its own counsel at its own expense

11.3. Options. If Customer's use of the Solutions has become, or in Recon's opinion is likely to become, the subject of any claim of infringement, Recon may at its option and expense: (a) procure for Customer the right to continue using and receiving the Solutions as set forth hereunder; (b) replace or modify the Solutions to make them non-infringing; (c) substitute an equivalent for the Solutions; or (d) if Recon, in its sole discretion, determines that options (a)-(c) are not reasonably practicable, terminate this Agreement and refund any pre-paid unused Fees as of the effective date of termination.

12. Warranty and Warranty Disclaimer.

12.1. Solutions Warranty. RECON WARRANTS THAT DURING THE SUBSCRIPTION TERM THE SOLUTIONS SHALL SUBSTANTIALLY PERFORM AS DESCRIBED IN THE DOCUMENTATION. IN THE EVENT OF ANY BREACH OF THIS SECTION 12.1, RECON SHALL, AS ITS SOLE LIABILITY AND CUSTOMER'S SOLE REMEDY, REPAIR

OR REPLACE THE SOLUTIONS THAT ARE SUBJECT TO THE WARRANTY CLAIM AT NO COST TO CUSTOMER OR IF RECON IS UNABLE TO REPAIR OR REPLACE, THEN RECON WILL REFUND ANY PRE-PAID FEES FOR THE SOLUTIONS, OR PARTS THEREOF, SUBJECT TO THE WARRANTY CLAIM.

12.2. Disclaimer. EXCEPT FOR THE WARRANTY DESCRIBED IN THIS SECTION, THE SOLUTIONS ARE PROVIDED WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OR CONDITIONS OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND ANY WARRANTIES OF TITLE. CUSTOMER ACKNOWLEDGES THAT THE SOLUTIONS ARE PROVIDED "AS IS" AND FURTHER ACKNOWLEDGE THAT RECON DOES NOT WARRANT: (A) THE OPERATION OF THE SOLUTIONS WILL BE UNINTERRUPTED, OR ERROR FREE; (B) THE SOLUTIONS ARE NOT VULNERABLE TO FRAUD OR UNAUTHORIZED USE; (C) THE FEATURES OR FUNCTIONALITIES OF THE SOLUTIONS WILL BE AVAILABLE AT ANY TIME IN THE FUTURE; AND (D) THE SOLUTIONS WILL IDENTIFY OR DETECT EVERY VULNERABILITY OR SECURITY ISSUE. CUSTOMER IS RESPONSIBLE AND RECON SHALL HAVE NO RESPONSIBILITY FOR DETERMINING THAT THE USE OF THE SOLUTIONS COMPLIES WITH APPLICABLE LAWS IN THE JURISDICTION(S) IN WHICH CUSTOMER MAY DEPLOY AND USE THE SOLUTIONS.

12.3. Open Source Warranty. The Software includes certain Open Source Software. Open Source Software is governed solely by the applicable open source licensing terms, if any, and is provided "AS IS", and Recon hereby disclaims all copyright interest in such Open Source Software. Recon provides no warranty specifically related to any Open Source Software or any applicable Open Source Software licensing terms. Any fees paid by Customer to Recon are for Recon's proprietary Software only, and not for any Open Source Software components of the Software. Any license associated with an Open Source Software component applies only to that component and not to Recon's proprietary Software or any other third-party licensed software. The foregoing language is not intended to limit Recon's warranty obligation for the Solutions set forth in Section 12.1. "Open Source Software" means software with its source code made available pursuant to a license by which, at a minimum, the copyright holder provides anyone the rights to study, change, and/or distribute the software to anyone and for any purpose.

12.4. Customer Warranties. Customer represents and warrants that it shall: (i) obtain any licenses and/or consents necessary for Recon to perform its obligations under this Agreement; (ii) be responsible for ensuring the security and confidentiality of all Administrator IDs and passwords; (iii) use commercially reasonable efforts to prevent unauthorized access to, or use of, the Solutions; (iv) notify Recon promptly of any unauthorized use of the Solutions or any breach, or attempted breach, of security of the Solutions; (v) not use the Solutions in a manner that would violate applicable laws or regulations; (vi) not use the Solutions and transfer any Solutions Data to Recon for any fraudulent purposes; and (vii) implement safeguards within Customer's environment to protect the Solutions, including specifically, the Equipment, from the introduction, whether intentional or unintentional, of (1) any virus or other code, program, or sub-program that damages or interferes with the operation of the Equipment or halts, disables, or interferes with the operation of the Solutions; or (2) any device, method, or token whose knowing

or intended purpose is to permit any person to circumvent the normal security of the Solutions.

13. Limitation of Liability. EXCLUDING RECON'S PERSONAL INJURY AND INTELLECTUAL PROPERTY INDEMNIFICATION OBLIGATIONS AS SET FORTH IN THIS AGREEMENT, FOR ANY CAUSE RELATED TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN AN ACTION BASED ON A CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR ANY OTHER LEGAL THEORY, HOWEVER ARISING, RECON WILL IN NO EVENT BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR: (A) DAMAGES BASED ON USE OR ACCESS, INTERRUPTION, DELAY OR INABILITY TO USE THE SOLUTIONS, LOST REVENUES OR PROFITS, LOSS OF SOLUTIONS, BUSINESS OR GOODWILL, LOSS OR CORRUPTION OF DATA, LOSS RESULTING FROM SYSTEM FAILURE, MALFUNCTION OR SHUTDOWN, FAILURE TO ACCURATELY TRANSFER, READ OR TRANSMIT INFORMATION, FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION, SYSTEM INCOMPATIBILITY OR PROVISION OF INCORRECT COMPATIBILITY INFORMATION, BREACHES BY AN AUTHORIZED PARTNER, OR BREACHES IN CUSTOMER'S SYSTEM SECURITY; OR (B) ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES; OR (C) ANY AMOUNTS THAT EXCEED THE TOTAL FEES PAID OR PAYABLE BY CUSTOMER FOR THE SOLUTIONS THAT ARE THE SUBJECT OF THE CLAIM DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRIOR TO THE EVENT WHICH GIVES RISE TO SUCH DAMAGES. THESE LIMITATIONS SHALL APPLY WHETHER OR NOT RECON HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. BOTH PARTIES UNDERSTAND AND AGREE THAT THE LIMITATIONS OF LIABILITIES FOR EACH PARTY SET FORTH IN THIS AGREEMENT ARE REASONABLE AND THEY WOULD NOT HAVE ENTERED INTO THE AGREEMENT WITHOUT SUCH LIMITATIONS.

14. Term and Renewal. This Agreement shall be in effect for the Subscription Term specified in the Order Form. The payment of any compensation due under this Agreement for any year within the initial Subscription Term or any renewal terms provided for herein is contingent upon the annual appropriation of funds by the Customers governing body in the annual budget and the Customer's obligations under this Agreement shall not constitute a general obligation of the Customer or indebtedness under the Constitution or laws of the State of Texas. In the event Customer should not, in the current or future fiscal years, appropriate or otherwise receive funds sufficient to purchase or continue related services under this Agreement (including any associated Support Programs), the Customer may terminate this Agreement for lack of appropriations by providing at least fifteen (15) days' written notice. Customer will pay for all undisputed fees and expenses related to services Customer has received as of the date of notice.

15. Updates. Recon reserves the right to modify the Solutions, this Agreement, the Terms, and the Documentation in Recon's sole discretion provided that such changes shall not materially decrease the Solutions features and functionalities that Customer has subscribed to during the then-current Subscription Term.

16. Termination. Either party may terminate this Agreement for cause if the other party commits a material breach of this Agreement, provided that such terminating party has given the other party ten (10) days advance notice to try and remediate the breach. Upon termination, Customer agrees to cease all use of the Solutions and Recon Technology, installed or otherwise, and destroy all copies of any Recon Technology that are in its possession or under its control and promptly remove and return all Equipment to Recon. Except as otherwise required by law, Recon will remove, delete, or otherwise destroy all copies of Solutions Data and Confidential Information in its possession upon the earlier of (i) the return of the Equipment to Recon or (ii) one hundred-twenty (120) days following termination. Sections 7 (only as to amounts due and owing) and 9 through 14, 16, and 17 will survive the non-renewal or termination of this Agreement.

17. Miscellaneous.

17.1. Except as otherwise provided herein, all notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given: (a) when delivered by hand (with written confirmation of receipt); (b) on the next business day after the date sent, if sent for overnight delivery by a generally recognized international courier (e.g., FedEx, DHL, etc.) (receipt requested); or (c) on the date sent by e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient. Such communications must be sent to the respective parties at the addresses set forth on the signature page hereof (or at such other address for a party as shall be specified in a notice given in accordance with this Section 17). This Section does not affect Customer's non-waivable rights. Recon's address for notification purposes shall be: 11824 Jollyville Road, Suite 404, Austin, Texas 78759. Customer's address for notification purposes shall be as set forth on the Order Form. Either party may update its notice address upon written notice to the other party.

17.2. Notwithstanding any other terms to the contrary contained herein, Customer grants Recon the right to use Customer's name or logo in customer lists, marketing materials, and verbal discussions with prospective customers to communicate that Customer uses the Solutions.

17.3. The parties to this Agreement are independent contractors. Neither party has the authority to bind the other party without the express written authorization of the other party. Nothing herein may be construed to create an employer-employee, franchisor-franchisee, agency, partnership, or joint venture relationship between the parties. Recon shall be primarily liable for the obligations of any subcontractors used in the delivery of the Solutions.

17.4. This Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Customer shall not be entitled to assign, subcontract, delegate or otherwise transfer any of its rights and/or duties arising out of this Agreement and/or parts thereof to third parties, voluntarily or involuntarily, including by change of control, operation of law or any other manner, without Recon's express prior written consent. Any purported assignment, subcontract, delegation or other

transfer in violation of the foregoing shall be null and void. No such assignment, subcontract, delegation or other transfer shall relieve the assigning party of any of its obligations hereunder.

17.5. This Agreement shall be governed by the laws of the State of Texas without regard to the conflicts of law provisions thereof.

17.6. Exclusive venue for any dispute arising out of this Agreement is in Kerr County, Texas.

17.7. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise.

17.8. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable. The parties agree to replace such void or u unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purpose of such void or unenforceable provision. Recon does not accept, expressly or impliedly, and rejects and deems deleted any additional or different terms or conditions that Customer presents, including, but not limited to, any terms or conditions contained Customer's purchase order, or other such document, or established by trade usage or prior course of dealing.

17.9. This Agreement (including the exhibits hereto, if any) constitutes the parties' entire agreement by and between the parties with respect to the subject matter hereof and supersedes any prior or contemporaneous agreement or understanding by and among the parties with respect to such subject matter. Except as otherwise provided herein, this Agreement may be amended, modified or supplemented only by an agreement in writing signed by each party.

17.10. The parties have participated mutually in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted mutually by the parties and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

17.11. Governmental Immunity. Unless otherwise required under the law, the Parties agree that Customer has not waived its governmental immunity by entering into and performing their obligations under this Agreement.

17.12. Arbitration. In the event of a dispute which may arise under this Agreement, Customer does not agree to arbitration.

17.13. Texas Local Government. The parties hereby acknowledge and agree that Customer is entering this Agreement pursuant to its governmental function and that nothing contained in this Agreement shall be construed as constituting a waiver of the Customer's governmental immunity from suit or liability, which is expressly reserved to the extent allowed by law. Notwithstanding anything to the contrary herein, the parties hereby acknowledge and agree that to the extent this Agreement is subject to the provisions of Subchapter I of Chapter 271, TEXAS LOCAL GOVERNMENT CODE, as amended, the Customer's immunity from suit is waived only as set forth in Subchapter I of Chapter 271, TEXAS LOCAL GOVERNMENT CODE. Further, the parties agree that this Agreement is made subject to all applicable provisions of the Texas Civil Practices and Remedies Code ("CPRC"), including but not limited to all defenses, limitations, and exceptions to the limited waiver of immunity from liability provided in Chapter 101 and Chapter 75.

17.14. Protection of Resident Workers. The Customer actively supports the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (I-9). Recon shall establish appropriate procedures and controls so no services under the Contract Documents will be performed by any worker who is not legally eligible to perform such services or employment. Customer reserves the right to audit Recon's employment records to verify the existence of a completed Employment Eligibility Verification Form (I-9) for every worker performing services under the Contract Documents. The audit will be at Customer's expense.

17.15. Immigration Reform and Control Act (8 U.S.C. §1324a). The Customer supports the Immigration Reform and Control Act (IRCA) which is a comprehensive scheme prohibiting the employment of unauthorized aliens in the United States. Recon shall submit a declaration signed under penalty of perjury of the laws of the State of Texas stating that it has not been found in violation of IRCA by the United States Attorney General or Secretary of Homeland Security in the preceding five (5) years. Bid Tabulation**

Dear Kyle,

Sealed bids were received at 3:00 p.m. on November 30, 2022 for the City of Kerrville Water Well No. 9 (H Street) Improvements project. Three bids were received for the project. The low bid for the project was submitted by Alsay Incorporated for \$294,000.00. The engineer's estimate for this project was \$275,000.00. The average bid was \$369,001.33.

The scope of work for the project includes brushing and cleaning the existing steel casing in the well, jetting and removing fill from the bottom of the hole and clean the open hole section, setting 6-inch stainless steel screen, 8-inch and 6-inch steel casing, 8-inch x 6-inch swage and pressure cementing in place, providing camera survey of the well, developing the well, installing the submersible pump, performing a pump test, and furnishing and installing all electrical service and components

Based on a review and tabulation of the proposals and previous performance by Alsay Incorporated on similar type projects, I recommend award of the contract to Alsay Incorporated on the basis of their lowest qualified bid of \$294,000.00.

Adjacent Zoning and Land Uses:

Subject Property

Current Zoning: R-2 Medium Density Residential

Existing Land Use: Townhomes

Direction: **North, South, West, East**

Current Zoning: R-2 Medium Density Residential

Existing Land Uses: Townhomes

Consistency with the Kerrville 2050 Comprehensive Plan:

Lot F, Block 5 Pueblo Hills; Commonly known as 1924 Leslie Driv...

In response to the application of the owner of the above captioned property to use the property for short term rental, I strongly object. I do not reside in the 200 feet range, however, I am an owner in residence of 1904 A Leslie Drive and all owners will be affected by the short term rental use of the property. First, and foremost, the Covenant and By-Laws of the Pueblo Hills Townhouse Association govern ALL properties of the association. These documents specifically set forth that no unit is to be used as/for a business and that each property is to be used as a single family residence.

Therefore I believe that without considering any other issues, this property should not be permitted to be a short term rental property. As a owner of 1924 Leslie Drive, the petitioning party should have read the Covenant and By-Laws and ask the Board before going to the City for permission to refuse to be governed by the Association Covenant and By-Laws. All of the current owners in residence and owners that rent their properties to single parties or single families are in compliance with the Covenant and By Laws.

On the practical side of this issue, allowing a short term rental will result in more traffic, both pedestrian and vehicular, and result in disturbance of the residents within the 200 feet of 1924. It will exacerbate an already existing parking problem. Long term residence tend to come and go in the normal fashion and my personal experience with short term rentals, there is a lot more coming and going on a daily basis by short term renters.

Accordingly, I respectfully request that tha Planning and Zoning Commission uphold the Covenant and By-Laws of the Pueblo Hills Townhouse Association and deny the owner's request for a permit for short term rental of the property.

I oppose the proposal of permit for short term rental. Each owner received a copy of Pueblo Hills Townhouse Association Bylaws when they purchased this property. Bylaws clearly states "single family residence." That means no room mate rentals. HOA Bylaws also states the property cannot be used for business purposes. Short term rental is a business.

A resolution to allow a Conditional Use Permit for a Short Term Rental on Lot 14, Block 2, Galleria Estates; and more commonly known as 811 Lloyd Dr N, Kerrville, TX 78028.

Procedural Requirements

The City, in accordance with state law, mailed 35 letters on 10/19/2022 to adjacent property owners. The City published a similar notice in the Kerrville Daily Times on 10/13/2022. Staff Analysis and Recommendation

Adjacent Zoning and Land Uses:

Subject Property

Current Zoning: R-1 Single-Family Residential

Existing Land Use: Single-family residential

Direction: **North, South, West, East**

Current Zoning: R-1 Single-Family Residential

Existing Land Uses: Single-family residential

Consistency with the Kerrville 2050 Comprehensive Plan:

The subject property and surrounding residential areas are designated as Transitional Residential (TR). Since the underlying zoning is not changing for the subject property, the request is consistent with the Kerrville 2050 Comprehensive Plan.

Thoroughfare Plan:

The subject property is located on a residential street.

Traffic Impact:

No traffic impact is anticipated.

Parking:

A Short Term Rental requires one off-street parking space per bedroom and one additional off-street parking space for a manager, if the manager does not live onsite. This property has 4 bedrooms and no onsite manager so 5 off-street parking spaces are required. The applicant has identified 6 available off-street parking spaces, meeting the off-street parking requirement.

Recommendation:

Because the Conditional Use Permit request is consistent with the Kerrville 2050 Comprehensive Plan, will meet all zoning regulations, and there are amenities in close proximity to this proposed Short Term Rental location, staff recommends approval with consideration and inclusion of the following Proposed CUP Conditions.

On November 3rd, the Planning and Zoning Commission recommended the case for approval with a 4-2 vote.

Proposed CUP Conditions for Short Term Rental

Any such sign shall

comply with the City's Sign Code.

E. Minimum Off-Street Parking: One space per bedroom, plus parking required for the manager, if living off-site.

Dear Planning and Zoning Members,

I have lived in the Galleria Estates since 1996 at 809 Lloyd Drive. It is a nice quiet neighborhood near Scott Schreiner golf course.

Pete and Karen Gerrity purchased the property next door at 811 Lloyd Drive and it has been a STR since April 2021. They have made many improvements to enhance the property. There has never been any issues with the guests. It is a family rental and pet friendly.

Any guest I happen to talk to is always very happy with the house and neighborhood. They are pleased to visit Kerrville and enjoy our neighborhood.

Sincerely,

SUMMARY STATEMENT:

Proposal

A resolution to allow a Conditional Use Permit for a Short Term Rental on Lot 3, Block 1, Jenkins; and more commonly known as 3410 Riverside Dr E, Kerrville, TX 78028.

Procedural Requirements

The City, in accordance with state law, mailed 22 letters on 10/19/2022 to adjacent property owners. The City published a similar notice in the Kerrville Daily Times on 10/13/2022. In addition, an informational sign was posted at the front of the property on 10/25/2022. At the time of drafting this Agenda Bill, two comments had been received.

Staff Analysis and Recommendation:

Adjacent Zoning and Land Uses:

Subject Property

Current Zoning: R-1 Single-Family Residential

Existing Land Use: Single-family residential

Direction: **North, South, West, East**

Current Zoning: R-1 Single-Family Residential

Existing Land Uses: Single-family residential

Consistency with the Kerrville 2050 Comprehensive Plan:

The subject property and surrounding residential areas are designated as Community Commercial (CC). Since the underlying zoning is not changing for the subject property, the request is consistent with the Kerrville 2050 Comprehensive Plan.

Thoroughfare Plan:

The subject property is located on a residential street.

Traffic Impact:

No traffic impact is anticipated.

Parking:

A Short Term Rental requires one off-street parking space per bedroom and one additional off-street parking space for a manager, if the manager does not live onsite. This property has 4 bedrooms and no onsite manager so 5 off-street parking spaces are required. The applicant has identified 5 available off-street parking spaces, meeting the off-street parking requirement.

Recommendation:

Because the Conditional Use Permit request is consistent with the Kerrville 2050 Comprehensive Plan, will meet all zoning regulations, and there are amenities in close proximity to this proposed Short Term Rental location, staff recommends approval with consideration and inclusion of the following Proposed CUP Conditions.

On November 3rd, the Planning and Zoning Commission recommended the case for approval with a 4-2 vote.

Proposed CUP Conditions for Short Term Rental

- A. **Guest Notification:** The owner or operator of the Property shall post "Guest Notification" in a conspicuous place within the rental unit on the Property. Guest Notification is shown on the following page.

The sign may either be: (i) flush-mounted to one of the residential structures and may not exceed one-square foot in size; or, (ii) freestanding and placed in the front yard but no closer than 20 feet to any property line and not exceeding six square feet in size and three feet in height. Any such sign shall

comply with the City's Sign Code.

I am a resident on Carmichael Street near Riverside where there is a zoning meeting today. my concerns are that it might become like a party house for weekends and I am not happy because my house is nearby and I can still hear things. we've always had trouble with this location due to other past renters not being very neighborly I am concerned that Air&B's will be no different . I will not make the meeting due to the fact that I work late. thank

SUMMARY STATEMENT:

Proposal: An ordinance to annex into the City of Kerrville's incorporated limits with a zoning classification of IM Industrial and Manufacturing on an 11.93 acre parcel comprised of approximately 8.93 acres out of the F. Rodriguez Survey No. 72, Abstract No. 280, and 2.99 acres out of the O.V. Robinson Survey No. 44, Abstract No. 282, part of a certain 172.58 acre tract described in Special Warranty Deed with Vendor's Lien, File No. 20-06214, Deed of Records of Kerr County, Texas; and more commonly known as 5269 HWY 27, Kerrville, TX 78028. (Case No. PZ-2022-34)

Procedural Requirements: The City, in accordance with state law, mailed 11 letters on 7/21/2022 to adjacent property owners. The City published a similar notice in the Kerrville Daily Times on 7/14/2022.

At the time of drafting this agenda bill, Development Services has received one comment, in opposition, from adjacent property owners.

Staff Analysis and Recommendation:

Adjacent Zoning and Land Uses:

Subject Property

Current Zoning: N/A County/ETJ

Existing Land Use: Vacant Land

Direction: North

Current Zoning: IM Industrial and Manufacturing

Existing Land Uses: industrial manufacturing

Direction: South

Current Zoning: N/A County/ETJ

Existing Land Uses: aggregate production facility

Direction: East

Current Zoning: PDD for the Airport Commerce Park

Existing Land Uses: industrial, commercial, and vacant land

Direction: West

Current Zoning: N/A County/ETJ

Existing Land Uses: vacant land

Consistency with the Kerrville 2050 Comprehensive Plan ("Comp Plan"): The subject property is within the Strategic Catalyst Area #11, surrounding the airport and Highway 27 corridor. Strategic Catalyst Area 11 lies on the southeastern fringe of the city. It is characterized by its most obvious and unique asset: the Kerrville Municipal Airport. Future growth will capitalize on the airport and its industrial space while keeping a careful eye on the effect of these activities on nearby neighborhoods. Heavy Commercial and light industrial are allowable place types within this catalyst area. Agriculture and Outdoor Tourism place types are most appropriate south of SH27, near the Guadalupe River. Heavy Commercial - Light Industrial uses are best adjacent to the airport. Developments should be sensitive to their proximity to the Guadalupe River; additional buffering may be required.

This location is south of Highway 27, surrounded by existing industrial uses. Although the catalyst area description recommends Ag and tourism uses on the south side of the river, this was written before two major TCEQ permits were issued for industrial uses outside the city limits. This property has already received the TCEQ permit for the concrete batch plant. One of the adjacent properties has received its permit from TCEQ for aggregate production operations. Taking into account the existing industrial uses, this property should also be used as industrial.

Thoroughfare Plan: The subject property is located on Highway 27.

Traffic Impact: Future traffic impacts of the future development will be reviewed through TxDOT.

Parking: All off-street parking requirements will be met through final project design and approval.

Case Summary: The applicant is requesting that the City annex the property with a zoning of IM, Industrial and Manufacturing. Consistent with the Future Land Use Plan, this use is near the airport with direct access to highway 27. The applicant had previously requested a subdivision code waiver related to the extension of utilities. The applicant has worked with City staff for approval of the updated infrastructure plans, therefore the waiver request has been withdrawn.

Recommendation: Because the request is consistent with the adjacent development and the objectives of the Kerrville 2050 Plan, staff recommends annexation and the zoning request.

On August 4th, the Planning and Zoning Commission recommended the annexation and zoning for approval with a unanimous vote.

Action November 08, 2022: City Council unanimously approved Ordinance No. 2022-32 on first reading.

RECOMMENDED ACTION:

Approve Ordinance No. 2022-32.

Re: Ingram Readymix
Subdivision Plat for Ingram Readymix No. 10 (the "Readymix Plat")
Withdrawal of Subdivision Platting Waiver Request

Dear Mr. Paxton,

The purpose of this correspondence is to formally withdraw our previous submittal dated October 6, 2022, requesting a waiver to Section 82-50(e)(1) of the City of Kerrville Subdivision Code. Our team has been working with yours and have reached an agreement on how utilities and utility easements are being handled for the proposed development on the Subject Property. More specifically that the improvements and easements we are proposing for the Subject Property meet the standards of the City's Subdivision Code. Based upon the most recent set of comments from the City concerning our submitted civil plans (dated December 9, 2022), and based on our engineer's response to these comments, the only outstanding items therein have to do with development provisions not connected with the purpose for our waiver request. For that reason, and in reliance on that most recent plan, we are no longer seeking a waiver to City's subdivision requirements for the Property.

Sincerely,

SUMMARY STATEMENT:

Along with the Zoning Code Amendment, City Council, with a recommendation from the Planning and Zoning Commission, requested a Short Term Rental Permit (STR Permit). Short term rentals are permitted in limited residential districts (including downtown and mixed use).

The current zoning code includes the following definition:

Short-term rental unit means a facility, located in a residential zoning district, used for the purpose of providing short-term lodging for compensation, architecturally designed to look like a single-family dwelling, which may also be occupied concurrently as the residence for the owner, operator, or manager of the property, or providing separate lodging units such as cabins, guest homes, or similar residential-scale structures but in any instance, may not lodge more than ten occupants.

This ordinance adds a permitting requirement for all STRs within the City limits. As with other operational permits, this ordinance sets out the application process for issuance and potential denial of a permit. It includes several operational requirements, including those captured from previous CUP resolutions. The adoption of this permit requirement is a result

of the discussions and recommendations from two Joint City Council and P&Z Workshops, the STR Townhall meeting, and the work of the STR Committee.

This draft is a result of the work and recommendations of the STR Committee this fall.

On 11-08-22, City Council approved Ordinance No. 2022-30 unanimously on first reading with three amendments, and to set a time for future review of the Ordinance by December 2023.

Amendments:

- Create a new Chapter dedicated to Short-Term Rentals
- If a structure has an occupancy sleeping over ten individuals, then the structure requires a sprinkled fire system
- Strike the #2 *Whereas* clause and strike #4 *Whereas* clause.

RECOMMENDED ACTION:

Approve Ordinance No. 2022-30, on second reading.

WHEREAS, the regulation of the use and operation of such "short-term rental" properties is intended to limit any impact of such uses on other properties and uses, and further advance the City's objective of promoting and preserving great neighborhoods, as cited within the City's Comprehensive Plan (*Kerrville 2050*); and

WHEREAS, based upon community input at a "town hall" style meeting, input from the Planning and Zoning Commission, as well previous Council discussion, staff has drafted regulations to address concerns while also continuing for the City to authorize such use; and

WHEREAS, based upon input from citizens, operators, and the Short-Term Rental Committee, City Council believes that a stand-alone ordinance is needed to provide clear rules for such rentals and to register with the City currently operating short-term rental units based upon their right to use their property for this purpose pursuant to the City's Zoning Code (Ch. 60, City's Code of Ordinances) or because they were operating as a pre-existing (grandfathered) use prior to the adoption of the current Zoning Code; and

WHEREAS, the requirement of an annual short-term rental permit that can be suspended or revoked in the event of repeated nuisance violations incentivizes operators of short-term rental properties to assure their renters' compliance with the law and City ordinances, and provides a means for the City to protect the welfare of its citizens living in proximity of properties not being responsibly managed; and

WHEREAS, City Council desires to establish rules and regulations relating to the operation of short-term rentals; and

WHEREAS, City Council finds that regulating the short-term rental of residential property is necessary for the health, safety, and welfare of the general public, the promotion of consistent land uses and development, and the protection of landowners and residents of the City;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KERRVILLE, KERR COUNTY, TEXAS:

SECTION ONE. A new Chapter 80 "Short-Term Rental Units" of the Code of Ordinance of the City of Kerrville, Texas, is created to add the language that is underlined (added) as follows:

"Chapter 80 - SHORT-TERM RENTAL UNITS

Sec. 80-1. - Purpose of Chapter.

The purpose of the regulations set forth in this chapter is to provide a procedure to allow the rental of private residences to visitors on a short-term basis, while ensuring that such use does not create adverse impacts to residential neighborhoods. Additionally, this chapter is intended to ensure that the number of occupants within such rental units does not exceed the design capacity of a structure to cause health and safety concerns, and that minimum health and safety standards are maintained in such units to protect visitors from unsafe or unsanitary conditions.

Sec. 80-2. - Definitions. As used in this chapter, the following definitions apply:

Department means the department(s) designated by the City Manager to enforce and administer this chapter.

Designated operator means the operator of a short-term rental unit who must be able to respond to a City employee or guest of a short-term rental unit within a reasonable amount of time from such contact.

Director means the director of the department(s) designated by the City Manager to enforce and administer this chapter and includes representatives, agents, or department employees designated by the director(s).

Permittee means a person or legal entity issued a short-term rental unit permit.

Owner means an individual person, proprietorship, partnership, corporation, association, or other legal entity.

Short-term rental unit means a facility used for the purpose of providing short-term lodging for compensation (i.e., less than 30 days), which may also be occupied concurrently as the residence for the owner, operator, or manager of the property, or providing separate lodging units such as cabins, guest homes, or similar residential-scale structures.

Zoning Code means the City's Zoning Code, as found within Chapter 60 of the City's Code of Ordinances.

Sec. 80-3. - Permit required.

It is unlawful to operate a short-term rental unit:

- (1) Without a short-term rental unit permit;
- (2) In violation of this chapter or any other applicable City ordinance or law;
or
- (3) Without having a valid conditional use permit, if required by the Zoning Code.

Sec. 80-4. - Permit application and review.

(a) To obtain an annual permit to operate a short-term rental unit, a person must submit an application to the director on a form provided for that purpose and pay the nonrefundable permit fee. The applicant must be the owner or designated operator of the short-term rental unit. If the owner or designated operator is not an individual, an authorized officer or agent of the owner or operator must submit the form. The application must contain the following information before it is considered complete and subject to review:

- (1) The name, street address, mailing address, email address, and telephone number of the owner and the designated operator of the short-term rental unit. Where the applicant is the owner, the owner must assign a "Designated Operator" who may be the owner. The designated operator must be able to respond to the director or guest of a short-term rental unit within a reasonable time of such contact. The owner and designated operator may be the same or separate persons or entities.
- (2) If the owner or designated operator is a legal entity, the application shall list the names of all partners, directors, members, and officers, as applicable.

(3) A scaled site plan which includes property lines, parking spaces, and fences.

(4) Applicant agrees to pay all ad valorem taxes and occupancy taxes, including fees, fines, and penalties owed to the City in connection with real property used to operate the short-term rental unit.

(5) The maximum number of guests that will stay at the short-term rental unit pursuant to section 80-11.

(6) Completion of a form provided by the City wherein the applicant swears and affirms that the short-term rental unit includes the following, in working condition and in accordance with this chapter and the City's fire code: smoke detectors, fire extinguisher, and adequate exits to an exterior area in each bedroom. Attached to the form, the applicant shall include the sketch referred to in section 80-9.

(7) A statement that, by filing this application, the applicant swears and affirms under penalty of perjury that, to the best of the applicant's knowledge, all information contained in the application is true and correct and that the application is complete and includes all information required to be disclosed under this section.

(b) When a conditional use permit is required, such permit must be issued prior to the issuance of a short-term rental unit permit.

Sec. 80-5. - Length of permit; renewal.

(a) A short-term rental unit permit is intended as an annual permit, to begin on January 1 and to terminate at 11:59 pm on December 31. An initial permit may be issued for a lesser amount of time so as to eventually align with the standard permit dates. A permit may be renewed by applying in accordance with section 80-14.

(b) Short-term rental units with a valid conditional use permit or that are allowed by right per the Zoning Code, as of October 15, 2022 are required to obtain a permit under the provisions of this chapter on or before June 1, 2023.

Sec. 80-6. - Permit Fees.

(a) The annual fee for a permit to operate a short-term rental unit is as determined from time to time by City Council.

(b) The City will not refund a permit fee.

Sec. 80-7. - Issuance or denial of permit.

Upon payment of the fee and the submission of a complete application, the director shall issue an annual permit to operate a short-term rental unit to the applicant, to include the number of authorized guests, if the director determines that:

(1) The applicant has complied with all requirements within this chapter;

(2) The owner of the short-term rental unit does not own or operate another permitted unit in the City for which the permit is currently suspended or has been revoked; and

(3) The applicant has not knowingly made a false statement as to a material matter in the application for a permit.

Sec. 80-8. - Notification of Change of Information.

The permittee shall notify the department within 10 days after any material change in the contact information contained in the application for a permit.

Sec. 80-9. - Operational Standards.

Each permittee shall ensure guests' health, safety, comfort, and protection from hazards and shall comply with the following:

(1) City zoning and building codes; federal, state, and City adopted fire codes and applicable standards; federal, state, and city health and safety codes;

(2) Smoke alarms must be installed and operational in compliance with the City's fire code to include installation within each sleeping room, immediately outside of each sleeping area, and on each story of the building, including any basement or attic;

(3) Pathways and stairways must remain unobstructed;

(4) Post, in a conspicuous place within the short-term rental unit, a sketch of the floor plan, which identifies sleeping areas, maximum number of guests, evacuation route(s), and location of fire extinguisher(s).

(5) Maintain the property and its premises in a clean and sanitary condition;

(6) The permittee shall comply with the City's occupancy tax requirements as found within the City's Code of Ordinances;

(7) The designated operator shall provide guests via a posted "guest notification" form within the short-term rental unit and/or email such form with the following information: the name and contact information of the owner and/or designated operator; emergency information, to include phone numbers for police and fire; and the occupancy limits; and

(8) The occupancy limit shall be included in all marketing materials, advertisements, and online listings for the short-term rental unit.

Sec. 80-10. - Emergency precautions.

The permittee shall provide fire escapes and exits that are maintained in good repair and accessible at all times in accordance with applicable fire codes, as amended.

Sec. 80-11. - Additional requirements and restrictions for Short-Term Rental Units.

(a) Parking.

(1) The requirements of this subsection do not apply to properties: (a) located within the Downtown Arts and Cultural Zoning District; or (b) whose designated operator provides evidence to the City that their property was in use as a short-term rental unit prior to October 1, 2019.

(2) A minimum of one (1) off-street parking space is required per bedroom.

(3) Required parking spaces must be improved in accordance with the City's design standards prior to issuance of a permit, such standards found within the City's Design Standards.

(b) Signs.

(1) In R-E, R-1, R-1A, R-2, and RT zoning districts, no sign shall be permitted on the premises except a non-illuminated nameplate not to exceed three total

square feet in size and attached to the structure or fence or free-standing, but where free-standing, not to exceed three feet (3.0') in height.

(2) In commercial zoning districts, signage shall comply with the requirements of Chapter 92 (sign code) of the City's Code of Ordinances unless operating prior to October 1, 2019.

(c) *Lighting.* If the property is residentially zoned, all lighting must be directed toward the establishment and not at adjacent properties.

(d) *Occupancy.* The maximum number of persons allowed to sleep within any short-term rental unit shall be as provided by the City's building codes, as amended (Ch. 26, Code of Ordinances). Such building codes limit the occupancy for short-term rental units as the occupancies include sleeping accommodations where the occupants are primarily transient in nature; that is, the length of stay is less than 30 days and as such, occupants are not as familiar with the building to recognize potential hazards or to be able to use the means of egress effectively. Maximum occupancy under this section is only applicable to the number of persons that are renting the short-term rental unit for a specified period of occupancy, and excludes any other person visiting the occupants at the location.

Sec. 80-12. - Warning, suspension, revocation, or denial of a permit.

(a) The director, who believes the public interest will be adequately served under the circumstances, may issue a written warning to the permittee if it is found that:

(1) The permittee or guest has violated or failed to meet any of the provisions of this chapter or conditions of the permit which does not pose a serious threat to public health, safety, or welfare; or

(2) The permittee or guest has violated any federal, state, or City law, or regulation pertaining to the use of the property as a short-term rental unit;

Where the director issues a warning, the warning shall provide notice to the permittee that he or she has no less than ten (10) days to come into compliance with this chapter.

(b) The director may immediately revoke or suspend the permit, or deny either the issuance or renewal thereof, if it is found that:

(1) The police chief or fire chief, or designees, has determined that the short-term rental unit would pose a serious threat to public health, safety, or welfare; or

(2) The applicant has knowingly made a false statement of material fact on an application for a short-term rental unit permit.

(c) A short-term rental unit for which the permit has been suspended or revoked may not admit any new guests during the time the permit is suspended or revoked.

(d) In lieu of suspending a permit for a short-term rental unit permit, the director, at his or her sole discretion, may enter into a compliance agreement with a permittee if the director determines that the compliance agreement would eliminate the noncompliance that would otherwise justify a suspension or revocation, result in prompt future inspections, and elevate one or more conditions at the short-term rental unit permit to the standards of this chapter.

(e) The director shall send a written statement of the reasons for the denial, suspension, or revocation, to include the date such suspension or revocation is to begin, the duration of the suspension, and the permittee's right to appeal by certified mail, return receipt requested, to the permittee.

(f) A permittee whose permit is suspended may not be granted a new permit or renewal of an existing permit to operate any existing or additional short-term rental unit permit during the suspension period.

(g) A permittee commits an offense if he or she operates or owns a short-term rental unit permit that admits guests during the time that the suspension of the permit is in effect.

Sec. 80-13. - Notice to applicant/permittee; appeals.

(a) A permittee may appeal a decision to deny, revoke, or suspend a permit to the City Council. Appeals shall be submitted to the City Secretary in writing within 45 days following the date the applicant or permittee receives the decision. A hearing on the denial, suspension, or revocation will be scheduled for the next regular meeting of the City Council following the expiration of 10 days. Council will render a decision on the appeal within thirty days of the hearing. A permittee shall not operate the short-term rental unit during the appeal process.

(b) At the appeal hearing on a denial of an initial permit application, the appealing party must present evidence clearly indicating that the director was incorrect in determining that the stated grounds for the permit denial existed.

(c) At the appeal hearing on a permit suspension, revocation, or refusal to renew, the director must present evidence clearly indicating that the stated grounds for such action existed.

Sec. 80-14. - Expiration and renewal of permit.

(a) All annual permits to operate a short-term rental unit expire at 11:59 pm on December 31. Permits issued within the calendar year will likewise expire on this date.

(b) A permittee must apply for renewal at least 15 days before the expiration of the annual permit on a form provided by the director. The permittee must update the information contained in the original permit application required under this chapter if any of the information has changed. The permittee shall sign a statement affirming that there is either no change in the information contained on the original permit application and any subsequent renewal applications or that any information that has been updated is accurate and complete and pay the annual fee.

(c) The director shall follow the procedures set forth in this chapter when determining whether to renew a permit.

Sec. 80-15. - Violations; penalty.

(a) A permittee or any other person who violates any provision of this chapter, or who fails to perform a duty required by this chapter, commits an offense.

(b) An offense under this chapter is punishable by a fine not to exceed \$2,000.00.

(c) A separate offense occurs each day or part of a day that the violation is committed, continued, or permitted.

(d) The remedies and procedures in this section and in other laws are cumulative law, and the use of any particular remedy or procedure does not prevent the application or enforcement of any other law."

SECTION TWO. The City Secretary is authorized and directed to send this Ordinance to the publisher of the City's Code of Ordinances and the publisher is authorized to amend said Code to reflect the new Chapter 80 as adopted herein, to correct any typographical errors, and to index, format, number, and letter the paragraphs to the existing Code, as appropriate.

SECTION THREE. The provisions of this Ordinance are cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this Ordinance are expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause, or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this Ordinance. The Council of the City of Kerrville, Texas, declares that it would have passed this Ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this Ordinance shall be in accordance with the general penalty provisions contained in Section 1-7, or its successor section, of the Code of Ordinances of the City of Kerrville, Texas, which provides for a fine not exceeding TWO THOUSAND DOLLARS (\$2,000.00).

Pursuant to Texas Local Government Code §52.013(a) and Section 3.07 of the City's Charter, the City Secretary is hereby authorized and directed to publish the descriptive caption of this Ordinance in the manner and for the length of time prescribed by law as an alternative method of publication.

SUMMARY STATEMENT:

Section 102-3 of the Kerrville Code of Ordinances prohibits a person or vehicle from emitting excessive or unusual noise on the streets of Kerrville. However, enforcement of Section 102-3 depends on the definition of "Excessive or Unusual Noise." The definition of "Excessive or Unusual Noise" within chapter 102 (Traffic and Vehicles) of Kerrville's Code of Ordinances is impermissibly vague such that people are unable to determine what constitutes excessive or unusual noise. Consequently, Section 102-3 is unenforceable at this time.

This proposed amendment replaces the current definition of "Excessive or Unusual Noise" with a definition that mirrors language Texas courts have considered and decided is sufficiently specific to survive a legal challenge for vagueness. We are also amending the definition of "Noisemakers" to make clear that it includes both the vehicle itself as well as

devices installed on the vehicle. These amendments will permit the police department to enforce vehicle noise violations under Section 102-3 of Kerrville's Code of Ordinances again. **Action November 08, 2022:** City Council unanimously approved Ordinance No. 2022-33 on first reading.

AN ORDINANCE AMENDING CHAPTER 102 "TRAFFIC AND VEHICLES", SECTION 102-1 "DEFINITIONS" OF THE CODE OF ORDINANCES OF THE CITY OF KERRVILLE, TEXAS BY REVISING THE DEFINITIONS OF "EXCESSIVE OR UNUSUAL NOISE" AND "NOISEMAKERS" IN THEIR ENTIRETY; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE; ORDERING PUBLICATION; AND PROVIDING OTHER MATTERS RELATING TO THIS SUBJECT

WHEREAS, the City of Kerrville regulates certain traffic offenses through Chapter 102 "Traffic and Vehicles" of the Code of Ordinances of the City of Kerrville; and

WHEREAS, definitions of some of these offenses are unreasonably vague in light of court rulings, which limits the police department's ability to enforce Chapter 102; and

WHEREAS, City Council has determined that it is in the best interest of the citizens of Kerrville to ensure effective and efficient enforcement of traffic related regulations, and therefore Chapter 102, "Traffic and Vehicles," Section 102-1, "Definitions", of the City's Code of Ordinances should be amended as set forth below;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KERRVILLE, KERR COUNTY, TEXAS;

SECTION ONE. Chapter 102, "Traffic and Vehicles," of the Code of Ordinances of the City of Kerrville, Texas, is amended by repealing the definitions of "Excessive or unusual noise" and "Noisemakers" as defined by Section 102-1 and replacing them in their entirety with new language as indicated by underlining (added) as follows:

"Chapter 102 – TRAFFIC AND VEHICLES

ARTICLE I. – IN GENERAL

Sec. 102-1 – Definitions.

Excessive or unusual noise means any noise caused by a motor vehicle that unreasonably exceeds the noise made by the average vehicle of that make and model in good mechanical condition, or any noise made by any person, devices, or mechanisms, either in or on a vehicle that unreasonably disturbs or interferes with the peace, comfort and repose of neighboring persons of ordinary sensibilities. A noise

is presumed to be excessive and unusual if vibration accompanies the sound and causes a person in another motor vehicle or structure to become aware of the vibration accompanying the sound.

Noisemakers means any device or mechanism temporarily or permanently installed on or in a vehicle that causes or may cause excessive or unusual noise. This definition also includes the omission or removal of any device or part from a vehicle that causes or may cause the vehicle to emit excessive or unusual noise.

SECTION TWO. The City Secretary is authorized and directed to submit this amendment to the publisher of the City's Code of Ordinances and the publisher is authorized to amend said Code to reflect the amendment adopted herein and to correct typographical errors and to index, format, and number and letter paragraphs to the existing Code as appropriate.

SECTION FOUR. If any section, subsection, sentence, clause, or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this Ordinance. The Council of the City of Kerrville, Texas hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

Key Priority Area	M - Mobility / Transportation
Guiding Principle	N/A
Action Item	M4.2 - Continue implementing the plan for street repairs, including a timeline and funding, based on the road conditions data collection and evaluation completed in 2016

SUMMARY STATEMENT:

In 2019, 6S Engineering, Inc. completed an update to the Pavement Master Plan and reassessed the current street conditions and maintenance practices. The 6S Engineering, Inc. team evaluated the current street condition assessment gathered for each street segment to analyze the deterioration estimates based on the effectiveness of the current street repair methods and degradation of street segments compared to the initial report, combined multiple street segments to minimize construction costs, and reevaluated the prioritization of streets. The prioritization of all streets were based on pavement condition (PCI), Ride Condition, and roadway classification. Additionally, the streets with anticipated full reconstruction needs were further prioritized based on vehicular usage, utility conflicts, and other known upcoming construction conflicts. Upon completion of the analysis, 6S Engineering, Inc. developed a 10-year maintenance plan and in August 2019, City Council authorized the issuance of \$10.5 million in Certificates of Obligation for street and drainage improvements based on identified full depth reconstruction streets. The initial list of reconstruction streets was presented and confirmed by City Council in October 2019. Throughout the planning process, Westminster was analyzed and identified as a potential

reconstruction street due to the existing conditions. It was removed from the initial reconstruction list to allow for Atmos Gas to relocate the existing underground gas lines. In April 2021, the City consulted 6S Engineering, Inc. to provide engineered construction documents for the project. The limits of the project consists of full depth reconstruction from Lang to First Street. The project is funded by the remaining 2019 Bond Funding as well as other General Fund Capital Project street funds, and is anticipated to take 8-10 months for construction with an estimated completion in Fall 2023.

The project was placed for advertisement, the bid opening was held November 30, 2022 and four bids were received, with D&D Contractors, Inc. as the apparent low bid. Staff evaluated the bid and recommend awarding the base bid with the alternate bid for a total contract amount of \$1,846,158.40.

RECOMMENDED ACTION:

Authorize the City Manager to finalize and execute a construction contract with D&D Contractors, Inc. for the Westminster Street Reconstruction project.

Key Priority Area D - Downtown Revitalization

Guiding Principle N/A

Action Item D1.6 - Support new anchors in the Downtown, such as the A. C. Schreiner Mansion or the Arcadia, to increase public and visitor traffic

SUMMARY STATEMENT:

The City of Kerrville and the Heart of the Hills Heritage Center, Inc. (HHHC) entered into a Development and Management Agreement in January 2021 to redevelop, renovate, and improve the building located at 529 Water Street, known as the A.C. Schreiner House, owned by the City; to provide financing for such improvements; and to provide for the lease to furnishing, management, maintenance, and operation of the building by HHHC upon completion of the project to be used as a museum and public venue that reflects and displays the culture and heritage of Kerr County and the surrounding Texas Hill Country. Since that time, contractual fundraising milestones by the City and HHHC have been reached, the City Council authorized the Design-Build process to be utilized for the renovation and improvements, and the City received five qualification statements from Design-Build teams. The five teams were deemed qualified to proceed to the proposal phase and submitted proposals based on the design criteria outlined in the Request for Proposals (RFP). Proposals from the Design-Build teams were received on November 15, 2022 and a review committee rated the proposals based on the scoring criteria contained in the RFP packet.

The next step is to negotiate a Design-Build contract based on the review committee's rankings. Staff is requesting confirmation from the City Council for the City Manager to

proceed with negotiating and finalizing a Design-Build contract with the highest ranked Design-Build team. If negotiations fail with the highest ranked team, staff will cease negotiations in writing and proceed to the next highest Design-Build team until an agreement has been finalized. Ultimately, once fully negotiated, the final contract authorization will be back before the City Council for review.

RECOMMENDED ACTION:

Authorize City Manager to negotiate and finalize contract for the Heart of the Hills Heritage Center.

Key Priority Area	P - Parks / Open Space / River Corridor
Guiding Principle	N/A
Action Item	P6.5 - Continue developing a vision/plan and identify funding options to extend the River Trail

SUMMARY STATEMENT:

Attached is a quality-of-life project funding agreement between the Economic Improvement Corporation (EIC) and the City of Kerrville for \$1,025,280 for a downtown extension of the Kerrville River Trail. This extension will be on the north side of the river from the Tranquility Island bridge / ramp area to below the downtown pavilion footbridge area in Louise Hays Park, approximately 1,600 linear feet. This agreement is for Phase 1 of 2 and includes the environmental permitting for both phases. The Phase 2 extension would continue on the north side to G Street and would be funded separately for construction, approximately 3,500 linear feet. Both phases would result in an additional approximate one mile of trail.

Extending the River Trail in this area will connect Tranquility Island, the Library, the soon to be rehabilitated Heart of the Hills Heritage Center, along with this part of downtown, and the Kerrville Urban Trail System (KUTS), which will increase the accessibility of the River Trail to additional neighborhoods.

The downtown River Trail is a priority project identified by the City Council, and is the number one extension priority identified in the Parks and Recreation Master Plan Update 2022 by the community. Extending the Kerrville River Trail is consistent with several

community plans, such as the Kerrville 2050 Comprehensive Plan, the Parks and Recreation Master Plan, the River Trail Master Plan, and the Parks and Recreation Department's goal to encourage the Kerrville community to "Get Outdoors. Be Active. Play."

The final step in the approval process is consideration and approval by the Kerrville City Council.

Project History

Kerrville 2050 Item? Yes

Key Priority Area E - Economic Development

Guiding Principle N/A

Action Item E3.3 - Seek EIC funding to extend the River Trail further west to the Thompson Drive bridge

SUMMARY STATEMENT:

On November 14, 2022, the Economic Improvement Corporation (EIC) considered and discussed a potential westward extension of the Kerrville River Trail around Nimitz Lake. Pursuant to the River Trail Master Plan, this extension would extend from near the Dietert Center and proceed along the northwest side of the river to the Spur 98 Bridge, around the lake, and eventually connect back to the Francisco Lemos / Louise Hays Park area on the southwest side of the river. It is anticipated that this extension would result in multiple phases due to the length, cost, construction and environmental challenges, private properties and easements. A study is necessary to identify the feasibility of this potential project. The estimated cost is \$182,800 is attached.

The EIC is expected to have further discussion on this item at their December 12th meeting. An update will be provided to the Council during this agenda item.

Extending the Kerrville River Trail is consistent with several community plans, such as the Kerrville 2050 Comprehensive Plan, the Parks and Recreation Master Plan, the River Trail Master Plan, and the Parks and Recreation Department's goal to encourage the Kerrville community to "Get Outdoors. Be Active. Play."

An extension west of Louise Hays Park is the second River Trail priority in the Parks Master Plan.

Re: River Trail West Segment Improvements–Concept Study Fee Estimate

Dear Michael,

Per your request, I have prepared a scope and fee schedule for the preparation of a Concept Study for the River Trail West Segment Improvements Project. The project will consist of approximately 12,800 linear feet of 10-foot-wide concrete trail located generally along the northeast side of the Guadalupe River from the Palacios del Guadalupe Condominiums extending northwest to the Spur 98 Bridge, then approximately 13,600 linear feet back along the southeast side of the Guadalupe River to the Francisco Lemos Bridge. The scope of the Concept Study will include the following:

- Kickoff meeting with City staff to finalize scope and schedule
- Site Visit and Data Collection
- Identify ownership along the trail and property easement requirements for this trail segment
- Evaluate trail alignment alternatives that comply with all building code and TDLR/ADA requirements.
- Evaluate feasibility of cantilevered trail sections required along a portion of this segment in the limited construction areas including width, height, framework, guardrail design, pier spacing and ramp access
- Determine the locations where site drainage needs to pass under the trail and evaluate bridge and/or elevated trail sections to allow for drainage across the trail.
- Identify constructability and access issues for the construction contractor
- Perform a natural resources constraints review including wetlands/jurisdictional waters determination and listing state and federal threatened and endangered species
- Perform a cursory cultural resources evaluation including archaeological literature and records research
- Review and summary of regulatory issues that will be applicable to this project
- Lead a Public Input Meeting with local residents to identify concerns and desires for the trail
- Evaluate and recommend project phasing
- Determine anticipated design and construction schedule and estimated costs
- Prepare final Concept Study Report

There are several locations along this segment of the river trail that have limited buildable area for the trail between the steep river bank and the river channel. Sparks Engineering Inc. has been added to the project team in order to provide their expertise on possible cantilevered trail sections or other alternatives in these areas. The structural analysis will include evaluation of alternatives such as supports for a possible boardwalk or the construction of a retaining wall along the steep bank of the

river. The structural scope of work will also include the development of estimated construction costs and a discussion of construction methods in the difficult section of this river trail segment.

SWCA Environmental Consultants will be a part of the project team to provide environmental, cultural resources, and regulatory analysis for this section of the river trail. Their scope of work will include a review of available data and desktop analysis of potential natural and cultural resources constraints in the project review area. SWCA recently completed the environmental, cultural and regulatory studies for the Rivertrail Schreiner University and Downtown Segments for the City.

The final result of this project will be a signed and sealed Concept Study Report that summarizes the results of the evaluation, provides alignment recommendations, construction phasing and estimated total project costs for each phase. The total lump sum fee to perform these tasks including subconsultant fees and all expenses is \$182,800.

FEE SCHEDULE Palacios del Guadalupe Condominiums along the northeast side of the river west to the Spur 98 (Thompson Drive) Bridge:

Hewitt Engineering Inc.	\$74,500.00
Sparks Engineering Inc.	\$7,500.00
SWCA Environmental Consultants	\$3,500.00
 Total Services Fee.....	 \$85,500.00

FEE SCHEDULE Spur 98 (Thompson Drive) Bridge back along the southwest side of the river to Francisco Lemos:

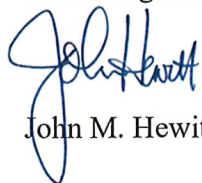

Hewitt Engineering Inc.	\$84,800.00
Sparks Engineering Inc.	\$8,500.00
SWCA Environmental Consultants	\$4,000.00
 Total Services Fee.....	 \$97,300.00

Please feel free to contact me at 830-315-8800 or by email at jmhewitt@hewitt-inc.com if you would like to discuss this proposal in detail or have any questions.
