City offering Christmas tree recycling service

Kerrville, Texas (Dec. 20, 2022) – The City of Kerrville Parks and Recreation Department will accept live Christmas trees for recycling from Dec. 26, 2022 to Jan. 15, 2023. The designated drop-off area will be located in Lehmann-Monroe Park, 200 Park Lane, near the Park Lane/La Casa Street park entrance. There is no cost associated with this program.

Christmas trees must be free of ornaments, lights, hangers, icicles, strings, and any other glass, metal, or plastic. Trees that were not sold from retailers will be accepted; however, please ensure that all ropes, twines, and plastic nettings are removed before delivery to the park.

“Allow us to help with the disposal of your Christmas tree,” said Ashlea Boyle, director of Parks and Recreation. “It’s a convenient and free process - just remove the decorations and drop your tree off at the park. We will take care of the rest.”

For more information, contact the Parks and Recreation Department at (830) 257-7300, recreation@kerrvilletx.gov, visit the city's website at www.kerrvilletx.gov, or follow us on Facebook at City of Kerrville Parks and Recreation Department or Instagram at cityofkerrville.
