### **Library to host Native Plant Society of Texas program Saturday**

**Kerrville, Texas (April 19, 2023)** – Come join library staff and Native Plant Society of Texas (NPSOT) members on Saturday, April 22 at 10:30 a.m. in the Butt-Holdsworth Memorial Library meeting room for a screening of the film “Urban and Suburban Meadows”. The one-hour film brings into focus the amazing diversity of life inhabiting meadows and prairies. The film is part of the on-going Meadow Project, an effort to

educate and raise awareness of the benefits of native and sustainable landscapes. After the film, NPSOT members Maya Christenson and Becky Leal will provide information and answer questions on meadow and prairie creation.

This program is free and open to the public. For more information, contact the library reference desk at (830) 258-1274, or visit the city's [website at www.kerrvilletx.gov](http://www.kerrvilletx.gov). The presentation is free to the public.
