### **Library to host Chihuahuan Desert talk**

**Kerrville, Texas (April 11, 2023)** – The Chihuahuan Desert is the largest and most biologically diverse desert in North America, with the northern portion extending into Arizona, New Mexico, and the Trans Pecos region of Texas. One of the best areas to enjoy this unique landscape is in the protected area of Big Bend National Park.

Join library staff and Kevin Hartley, a Sierra Club Outings Leader and Wilderness First Responder, on Saturday, April 15 at 2 p.m. in the library meeting room for an informative and engaging presentation on the Chihuahuan Desert. Hartley will share photographs and maps, and highlight a few of his favorite hikes and drives. Questions are welcome!!

This event is free and open to the public. For more information, please contact the library reference desk at (830) 258-1274 or visit the library's website at [www.kerrvilletx.gov](http://www.kerrvilletx.gov).
