### **City announces temporary Water Street and Clay Street closures**

**Kerrville, Texas (June 2, 2023)** – Beginning Monday, June 5, road closures are planned for Water and Clay Streets to accommodate underground utility construction and improvements for pedestrian safety at the Water and Clay Street intersection.

Water Street will be closed at the intersection of Water and Clay Streets for approximately two weeks. During this period, the Downtown Parking Garage will be

accessible from Main Street to Clay Street.

Immediately after the Water Street closure, Clay Street will be closed for approximately one week. During the Clay Street closure, the Downtown Parking Garage will be accessible

from Water Street. Vehicle and pedestrian access to local businesses will be maintained during the construction projects.

The City of Kerrville apologizes in advance for any inconvenience these closings may cause, and we thank all citizens for their patience as these improvements are completed. Please feel free to contact our Public Works department at (830) 258-1221 if you should have any questions or concerns.
