Rio Monte Drive to be partially closed beginning July 5

Kerrville, Texas (June 29, 2023) – Beginning Wednesday, July 5, Rio Monte Drive will be partially closed as the City of Kerrville and G5 Utilities begin the relocation of a sewer line that currently runs diagonally across the new Public Safety Facility site at Rio Monte Drive and Clearwater Paseo.

The partial closure is expected to last three weeks, and motorists are encouraged to seek alternate travel routes during this time.

The City of Kerrville apologizes in advance for any inconvenience this closing may cause, and we thank all citizens for their patience as this project moves to completion. Please feel free to contact our Public Works department at (830) 258-1221 if you should have any questions or concerns.
