E. Main Street and Westminster Street intersection to be temporarily closed

Kerrville, Texas (Sept. 21, 2023) – The City of Kerrville and its contractor, D & D Contractors, will be completing water and sewer connections on the E. Main Street and Westminster Street intersection beginning Sept. 27, 2023 and lasting for approximately three days. This construction activity will require a full road closure and the contractor will have detour signs on E. Main Street for traffic to follow during working hours, 7 a.m. to 6 p.m. The road will be open after hours for traffic.

The city apologizes for any inconvenience caused by this construction activity, but the closure is being made with safety in mind for both construction workers and the general public.
