City will offer Christmas tree recycling services

Kerrville, Texas (Dec. 20, 2023) – The City of Kerrville Parks and Recreation Department will accept live Christmas trees for recycling from Dec. 26, 2023 to Jan. 14, 2024. The designated drop-off area will be located in Lehmann-Monroe Park, 204 Park Lane, near the Park Lane/La Casa Street park entrance. There is no cost associated with this program.

Live Christmas trees must be free of ornaments, lights, hangers, icicles, strings, and any other glass, metal, or plastic. Trees that were not sold from retailers will be accepted; however, please ensure that all ropes, twines, and plastic nettings are removed before delivery to the park. Artificial Christmas trees will NOT be accepted.

“The tree recycle program, which begins the day after Christmas, provides the community a great way to dispose of their live trees,” said Deidre Flores, assistant director of Parks and Recreation. “The ease ensures that trees don’t get dumped in places they shouldn’t. It’s convenient and free - just remove the decorations and drop your tree off at the park. We will take care of the rest.”

For additional information, contact the Parks and Recreation Department at (830) 257-7300, recreation@kerrvilletx.gov, visit the city's website at www.kerrvilletx.gov, or follow us on Facebook at City of Kerrville Parks and Recreation Department or Instagram at [cityofkerrville](#).
