City to launch Citizens' Academy

Kerrville (Feb. 8, 2024) – The City of Kerrville is excited to announce the launch of its first Citizens' Academy. The Citizens' Academy aims to engage the community by providing a better understanding of the city's operations and the wide range of services it offers. Along with classroom sessions, Citizens' Academy will also offer an immersive experience with tours of city facilities, including the

water production plant, wastewater treatment facility, police and fire stations, various parks and the library.

The program will consist of eight weekly sessions that will last approximately two hours each. Sessions with tours may last longer to allow for travel time and to ensure the best experience.

To be eligible for the Citizen's Academy, participants must:

- Be a resident of the City of Kerrville
- Be at least 18 years of age
- Not be running for political office during the program period
- Must not be a current member of the Kerrville City Council
- Commit to attending all sessions

To apply to the Citizens' Academy, please visit <https://tx-kerrville3.civicplus.com/2092/Citizens-Academy>. Applications must be received by Feb. 23.
