City to host update on Comprehensive Plan Oct. 23 at Arcadia Theater

Kerrville, Texas (Sept. 30, 2024) – A process is underway to update the Kerrville 2050 Comprehensive Plan, which includes a Downtown Plan and Nimitz Lake Area Plan. The City of Kerrville will host a community open house on Wednesday, Oct. 23 from 6-7:30 p.m. at the Arcadia Theater, 717 Water St., to keep citizens informed about the project. The updated Plan will reaffirm the vision and goals of Kerrville 2050 while proposing actionable recommendations to guide future development.

Citizens can sign up for project updates and event notifications by visiting the project website at www.Kerrville2050.com.
