### **Second trout release set for Jan. 15 at Louise Hays Park**

**Kerrville, Texas (Jan. 10, 2025)** – The second of two planned rainbow trout releases along the Guadalupe River in Louise Hays Park will occur on Wednesday, Jan. 15 and consist of another 1,200 rainbow trout. The rainbow trout are provided by the Texas Parks and Wildlife Department's A.E. Wood Fish Hatchery in San Marcos. The trout stocking is timed with winter water temperatures dropping below a level necessary for the survival of the trout.

The first trout release took place Dec. 17, 2024.

Everyone is invited to come to Louise Hays Park at 202 Thompson Dr. for a unique fishing experience. Anglers over the age of 17 are required by law to have a valid freshwater fishing license. As per statewide regulations, there is no minimum length limit, and the daily bag limit

is five trout. For more information on community fishing lakes, fishing regulations, license requirements, and tips for fishing rainbow trout, please visit [www.tpwd.state.tx.us](http://www.tpwd.state.tx.us).
