Come visit the library for Fiber Friday

Kerrville, Texas (Oct. 15, 2025) – The Butt-Holdsworth Memorial Library invites the community to join Fiber Friday this Friday, Oct. 17, from 10-11 a.m. in the library meeting room.

Hosted by the library's own resident yarn artist Kim Wygant, Fiber Friday meets on the first and third Fridays of each month. The group welcomes knitters, crocheters, weavers, and anyone who enjoys working with yarn, thread, or fiber.

Participants are invited to bring their own projects or join in the library's ongoing community fiber project, which is already taking shape thanks to a happy mix of new and experienced makers.

“Fiber Friday has become a wonderful creative gathering,” said Diane Miller, library director. “It’s inspiring to see people of all skill levels come together, share ideas, and contribute to something colorful and lasting.”

All supplies for the community project are provided, and drop-ins are welcome.

The program is free and registration is not required. For more information, please contact the library reference desk at (830) 258-1274 or visit the city’s website at www.kerrvilletx.gov.
