

KERRVILLE CITY COUNCIL WORKSHOP AGENDA
MARCH 09, 2021, 5:00 PM
CAILLOUX CITY CENTER
910 MAIN STREET, KERRVILLE, TEXAS

***Council Workshop Procedures during the Disaster Declaration
and Citizen Participation Guidelines***

COVID-19 (Coronavirus) provides a unique concern in that gathering members of the public, City Council, and City staff within a physical setting constitutes a public health risk. On March 16, 2020, the Texas Governor suspended certain requirements of the Open Meetings Act to permit open meetings to occur in a fully, or partially, virtual setting (telephonic/videoconference). The Governor has extended this order each month since this time. At this time, City Council intends to conduct the workshop which the public may attend in person at the Cailloux City Center, 910 Main Street. However, where circumstances dictate and up until the time that the meeting is held, Council may hold its meeting entirely online as part of a virtual meeting; or, as a mixed virtual meeting where some Councilmembers are physically present at the auditorium but one or more members participate via online.

Standard safety protocols will be observed by City Council, City staff, and citizens/visitors attending the workshop. When entering the Cailloux, attendees will be required to sanitize hands and wear a mask. City employees will then take the temperature of each attendee. Any person with a temperature exceeding 100.2 will not be allowed entry. Masks are required at all times. Six-foot distance seating will be observed and visitor seating will be designated. The public podium will be sanitized between each public speaker.

Citizens wishing to speak shall submit a completed "speaker request form" to the City Secretary before the meeting is called to order and definitely before the item is introduced. Each speaker is limited to four minutes.

Citizens may view and hear City Council meetings on Spectrum Channel 2 or by live-streaming via the City's website (www.kerrvilletx.gov). City Council meetings are recorded and the recordings are posted on the City's website.

Thank you for your participation!
