[Check out the library's puzzle collection](#)

Kerrville, Texas (Nov. 16, 2021) – At the public library, you can find many things: books, DVDs, audiobooks, magazines, and thousands of digital offerings available 24/7. Did you know that now you can also find puzzles at your library?

It's true! Currently, the Butt-Holdsworth Memorial Library has a selection of puzzles ranging from 500 to 1,000 pieces. Everything from cars to landscapes can be found in our collection. With chilly days upon us, now is a great time to hunker down indoors and try a new puzzle. Each puzzle can be borrowed for three weeks at a time and renewed twice thereafter if you'd like a bit more time to complete your masterpiece.

We also have a community puzzle you may work on while you visit the library. Stop by our puzzle table and help us complete our work of art!

Interested in checking out a puzzle? You can find more information on all of the puzzles in our collection on our catalog page, <http://libraryweb.kerrvilletx.gov>, or by visiting us at the library. For more information, please contact the library reference desk at (830) 258-1274 or visit the library's website at www.kerrvilletx.gov.
