**An ordinance amending City of Kerrville, Texas, Ordinance No. 2012-01 by extending the moratorium on the acceptance of specified applications and the issuance of permits for the installation of electronic and traveling lighted message signs, through June 30, 2012, or until the adoption of an ordinance amending the city's Sign Code, Chapter 6, Article II of the city's Code of Ordinances, whichever event occurs first.**

Mr. Hayes noted the moratorium was due to expire May 14, and staff was in the process of vetting the amendments with citizens. On April 24 council instructed staff to prepare an ordinance extending the moratorium to June 30 or until a new sign ordinance is adopted, and amending the moratorium to narrow the scope only to electronic signs that were in excess of 32 sq. ft. or within 100 feet of a residential area.

Mr. Conklin moved to approve the ordinance on first reading; Mr. Gross seconded the motion and it passed 4-0.

**ADJOURNMENT.** The meeting adjourned at 4:03 p.m.
