

## Kerrville Parks & Recreation Department

### Commemorative Tree Program

The City of Kerrville Parks and Recreation Department offers you a special way to honor a loved one and enhance the beauty of our community by placing a commemorative tree in the city parks system. **Donors are responsible for tree purchases directly from a local nursery. Price varies depending on tree type and size. Trees selected will be no less than four (4) inch caliber (diameter) and a minimum height of nine (9) feet at the time of planting to ensure the best chance for survival. For a list of approved trees and sizes, contact the Parks and Recreation Department or visit [www.kerrvilletx.gov](http://www.kerrvilletx.gov).**

The donor and the City will cooperatively select a tree from a reputable source. The City will deliver / arrange to have delivered the tree from suppliers in / near Kerrville to the planting location, and will install and maintain the tree. **Trees will only be planted in the fall or spring, depending on the proper planting time for the variety of tree selected.** Specific locations for tree placement within the parks system may be requested, however, final locations are subject to approval based on need. Final tree placement can take anywhere from 4-6 weeks to be completed. Please return the form below to the Parks and Recreation Department office.

#### Order Form

Name: \_\_\_\_\_ E-mail: \_\_\_\_\_

Address: \_\_\_\_\_ Preferred location: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Preferred Tree Variety: \_\_\_\_\_
