### **Portion of Singing Wind Park trail near Olympic Pool to be temporarily closed**

**Kerrville, Texas (Sept. 18, 2025)** – Beginning Friday, Sept. 19 and continuing through Friday, Oct. 3, a portion of the walking trail adjacent to the Olympic Pool in Singing Wind Park will be temporarily closed due to construction activity. Contractors will be installing an electrical supply line across the trail as part of the ongoing Olympic Pool project. During this period, the area will contain construction equipment, materials, and an open trench, making it unsafe for public use.

Trail users are asked to avoid the affected section until work is complete. The City of Kerrville appreciates the community's patience and cooperation as improvements continue at the Olympic Pool.
